The Moon Princess

The Moon. Cold. Dark. Distant. Lifeless. But once, a long time ago, Queen Serenity ruled over a kingdom there, with the help of the mighty Silver Moon Crystal. During the wedding of her daughter, Princess Serena, to Prince Darien, a lunar eclipse allowed the evil Queen Beryl to destroy the Moon. Luckily, the Princess, her friends, and her family were saved because Queen Serenity transported them to Earth. Luna tells Sailor Moon that she must find the Princess, unaware that Sailor Moon IS that Princess. Serena, the clumsy high school girl, is destined to be Queen of the Universe!

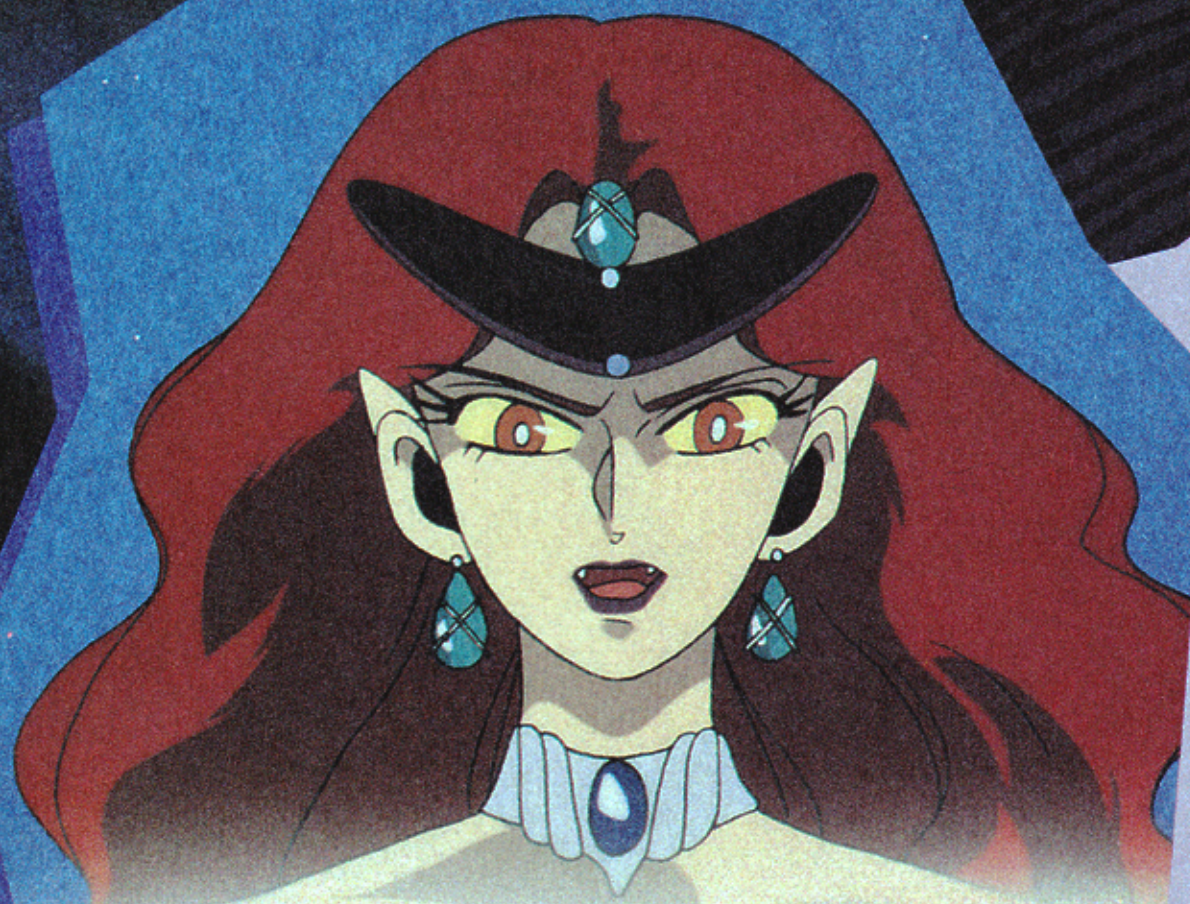

Queen Serenity

NEGAVIERSIE

EMPIRE OF NEGATIVE ENERGY

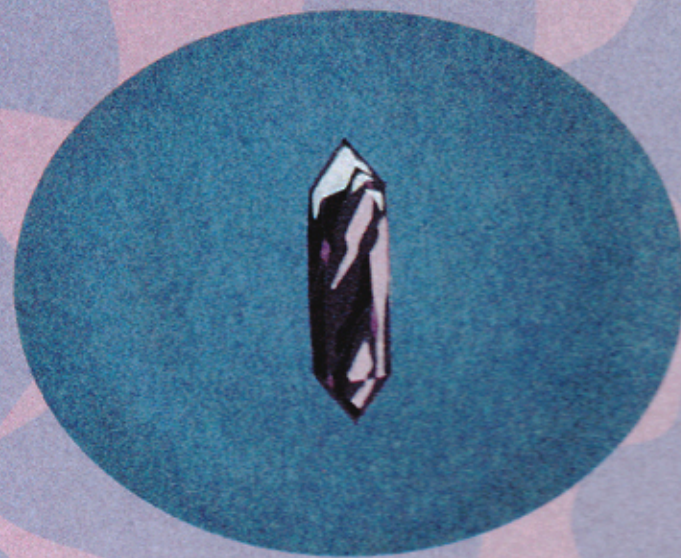

Here's a secret. Long, long ago, Queen Beryl used to love Prince Darien. She became jealous of Princess Serena and her jealousy turned into hatred of the Prince and Princess.

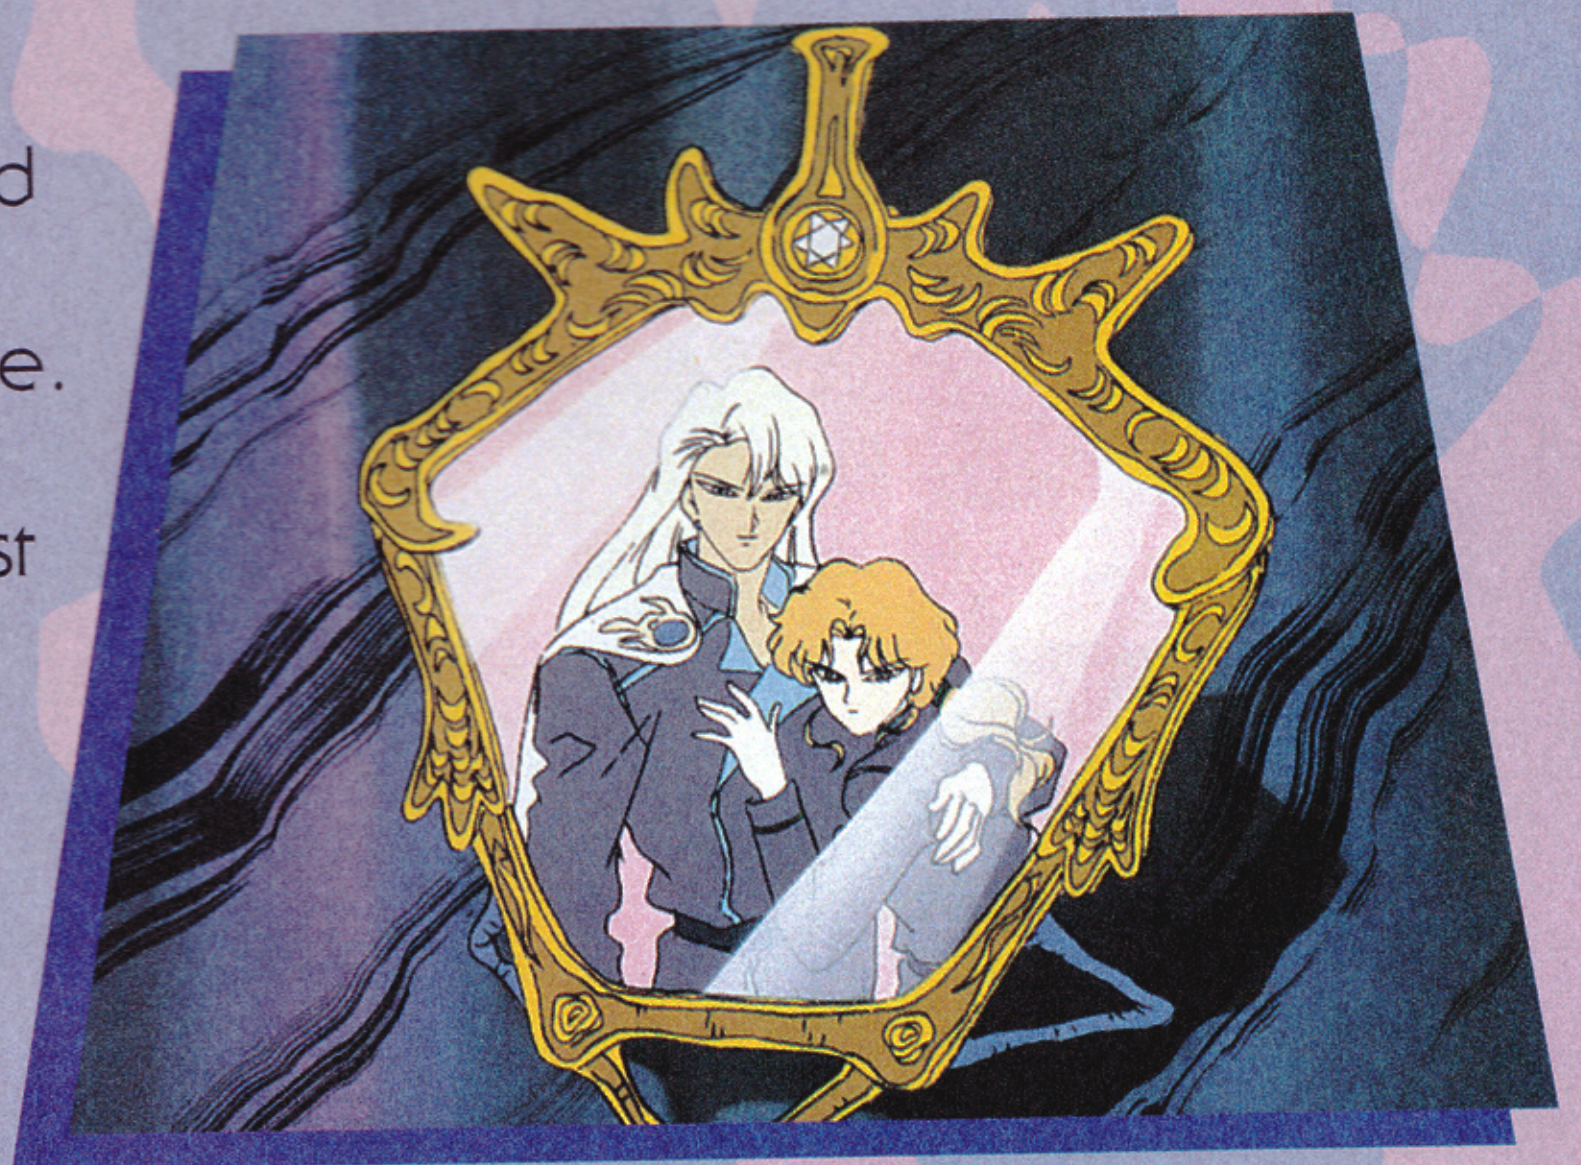

Here's another secret just for you. The Queen's four evil warriors, Jedite, Neflite, Zoycite, and Malachite, were Prince Darien's friends until Queen Beryl cast a spell on them.

Jedite tries to steal the life energy from the people in the town.

Neflite discovered that the Black Crystal can find hidden Rainbow Crystals.

Zoycite and **Malachite** are a couple. Malachite is the strongest of the four warriors.

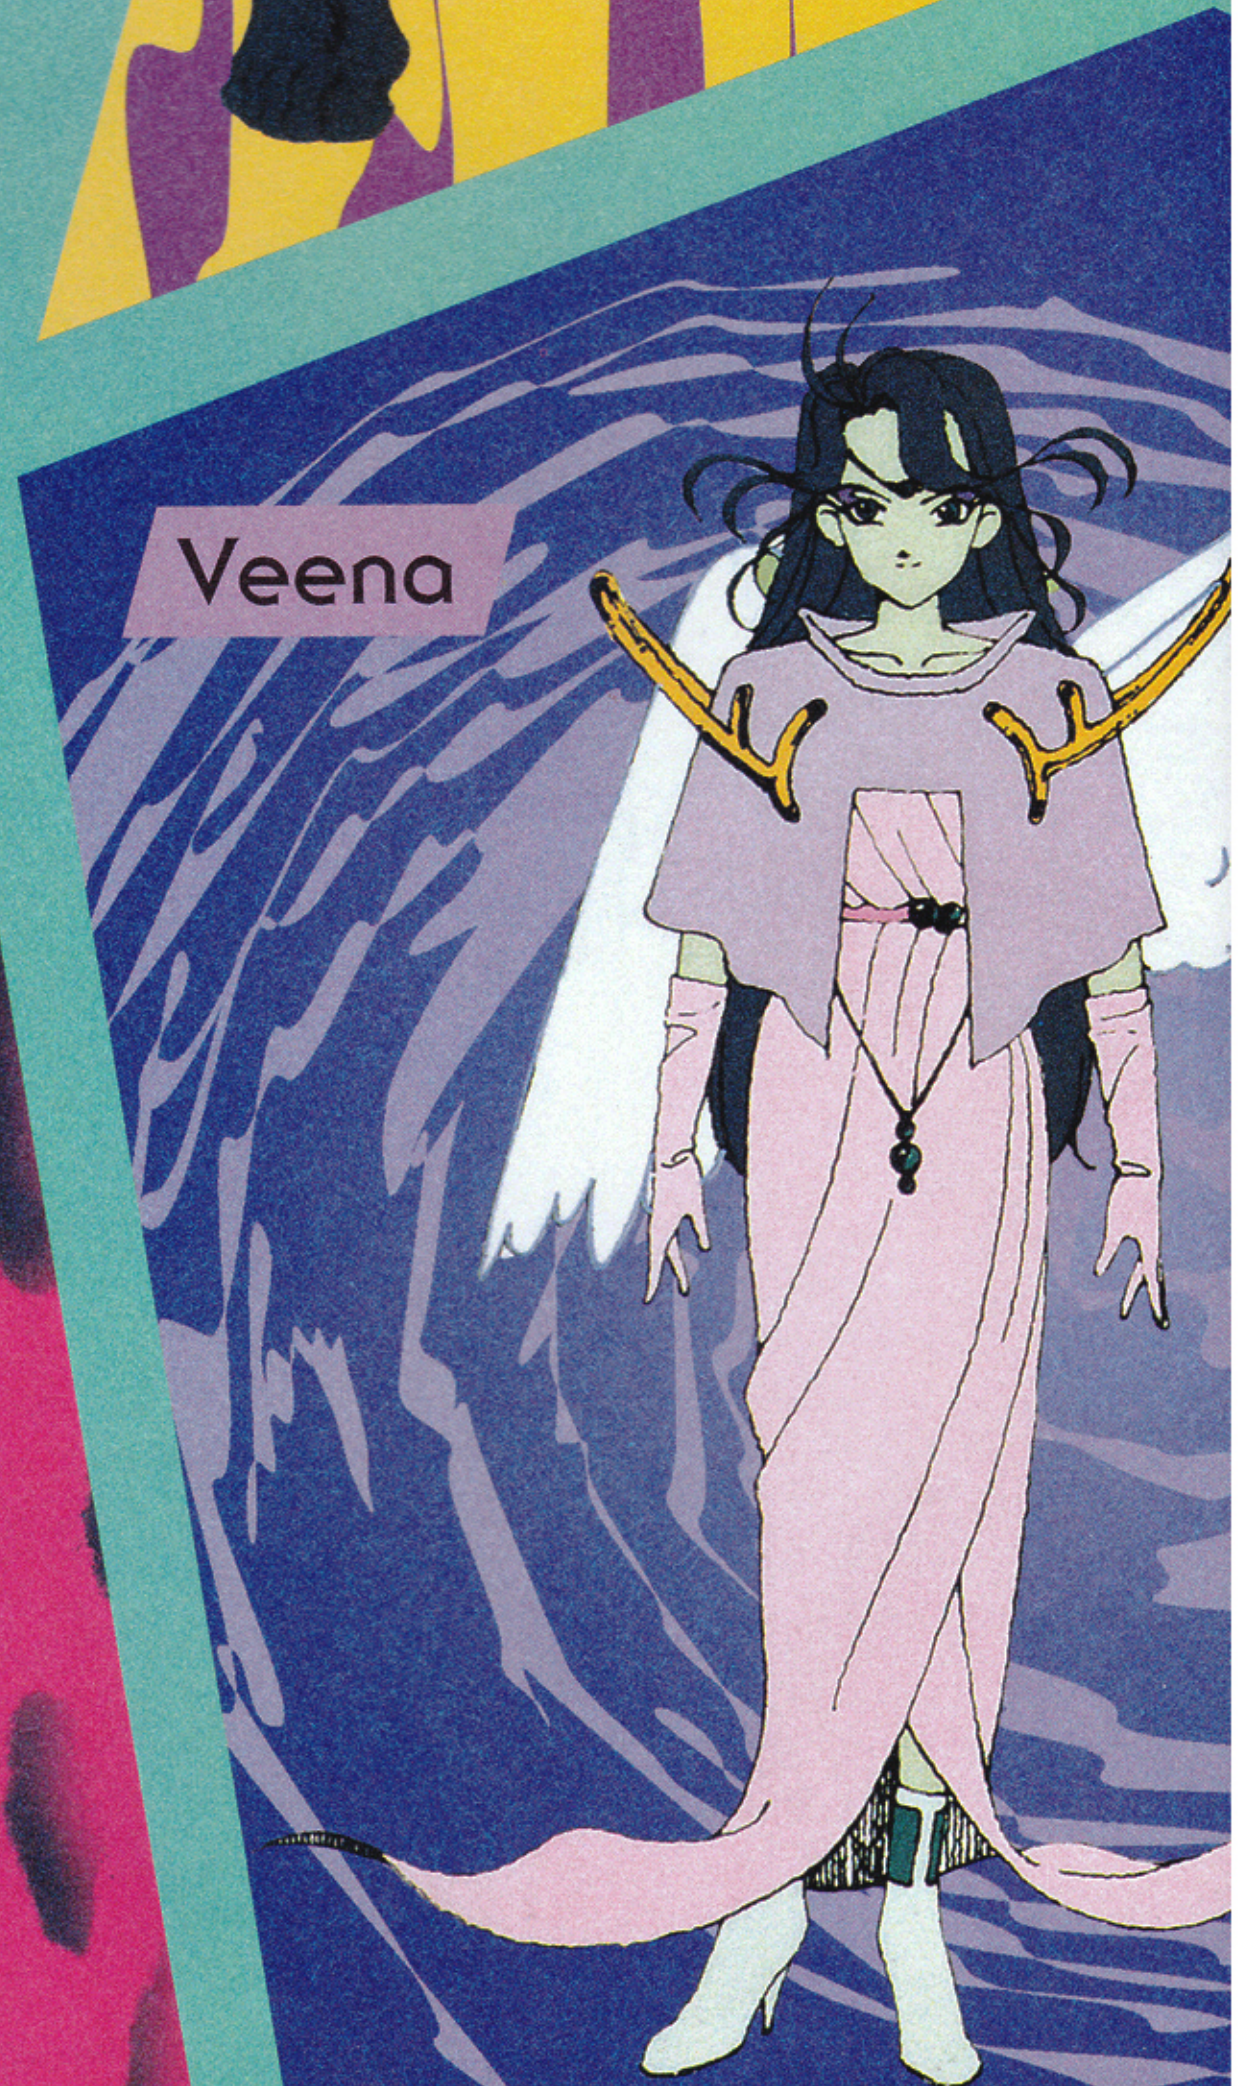

QUEEN BERYL'S EVILS

The seven Evils lost their evil powers and memories and became human when Rainbow Crystals were hidden in their bodies. When Zoycite removes the Rainbow Crystals, they change back into their original evil form. The seven Evils are the strongest of Queen Beryl's creatures.
