# SAILOR MOON

Fourteen-year-old Serena is none other than the dynamic super heroine, Sailor Moon!

**JUSTICE  
FIGHTER!**

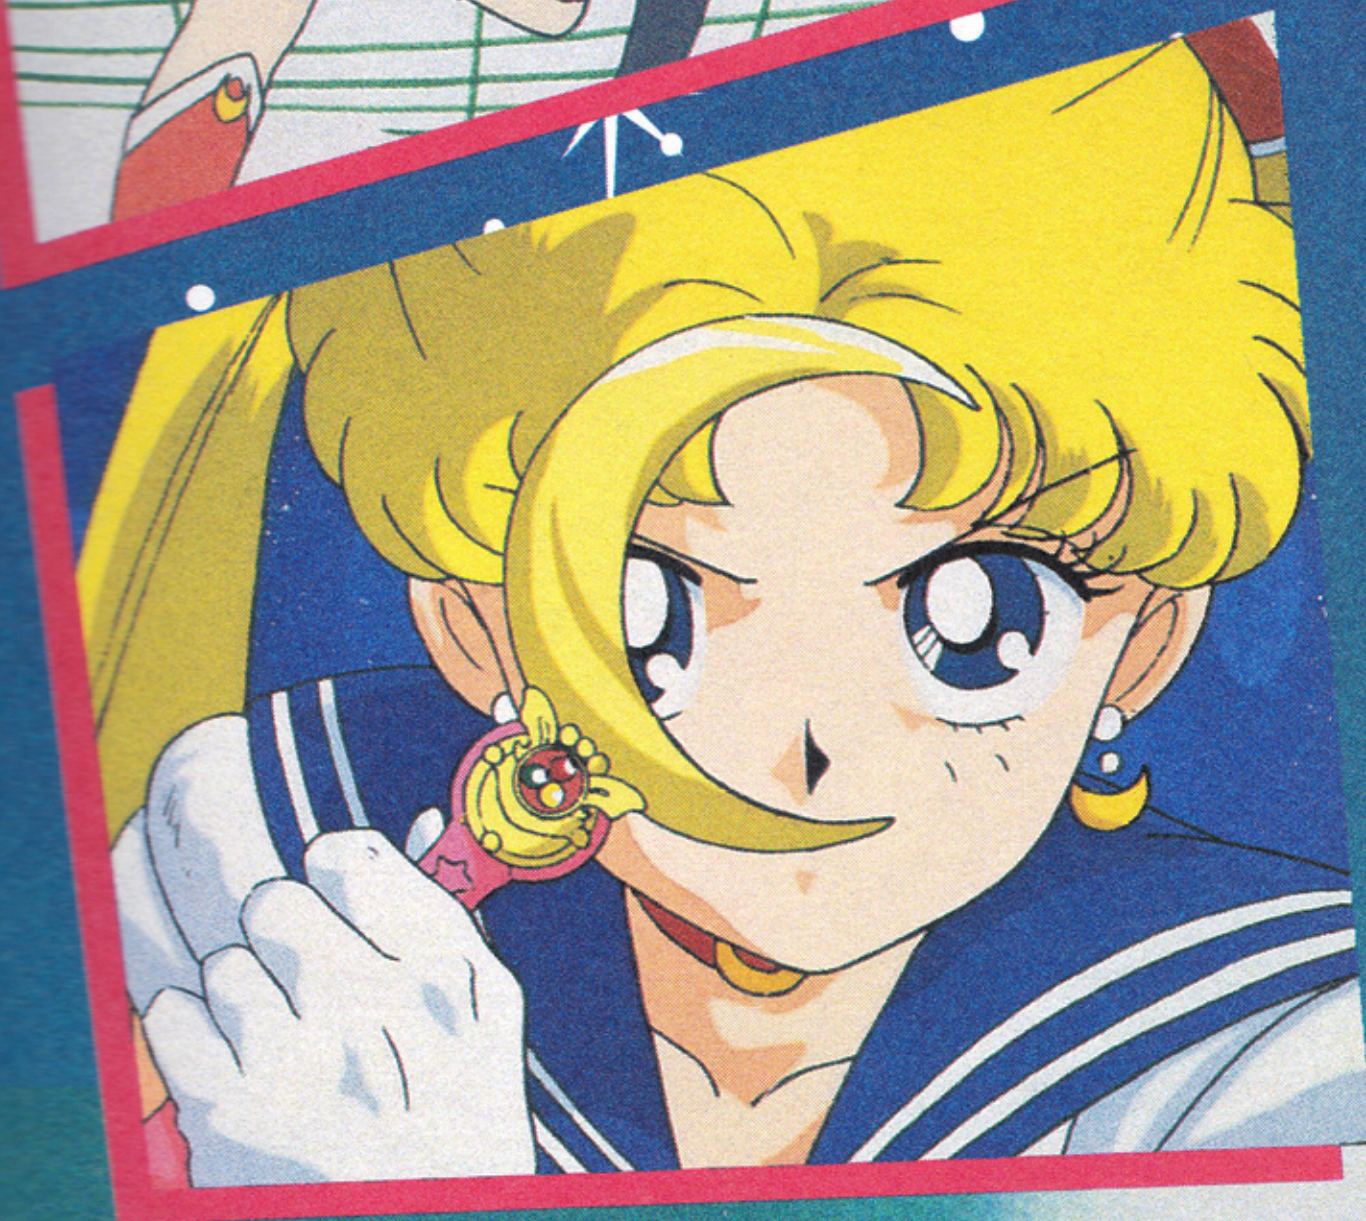

Luna is a talking cat and Sailor Moon's guardian. She gives Serena a locket that holds the power to transform her into Sailor Moon, the powerful Sailor Scout leader.

Luna helps the Sailor Scouts  
unleash their powers with  
special Transformation Pens.

One of Sailor Moon's powerful  
weapons, her Crescent Moon  
Wand, can tame wicked Queen  
Beryl's horrible monsters. Her  
shining Golden Tiara makes all  
evil enemies disappear.

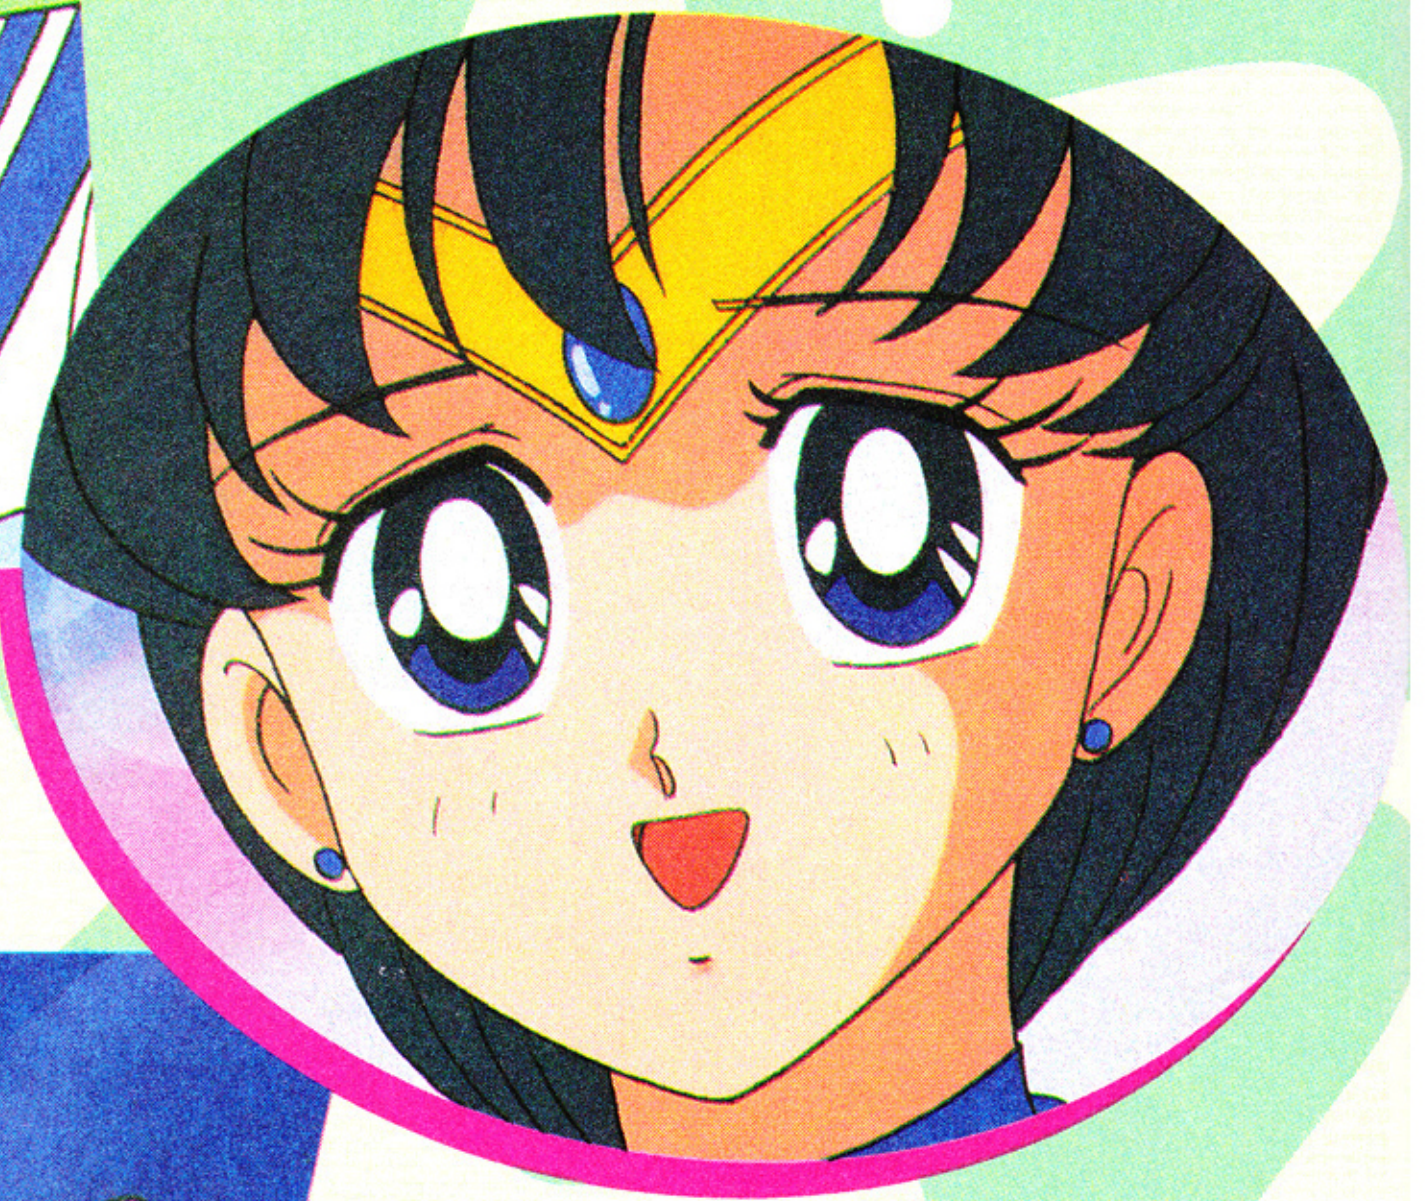

**MOON PRISM... POWER!**

Amy, one of Sailor Moon's classmates, is actually the powerful Sailor Mercury. When she puts on her special blue goggles, she can look into people's hearts and see the good or evil in them.

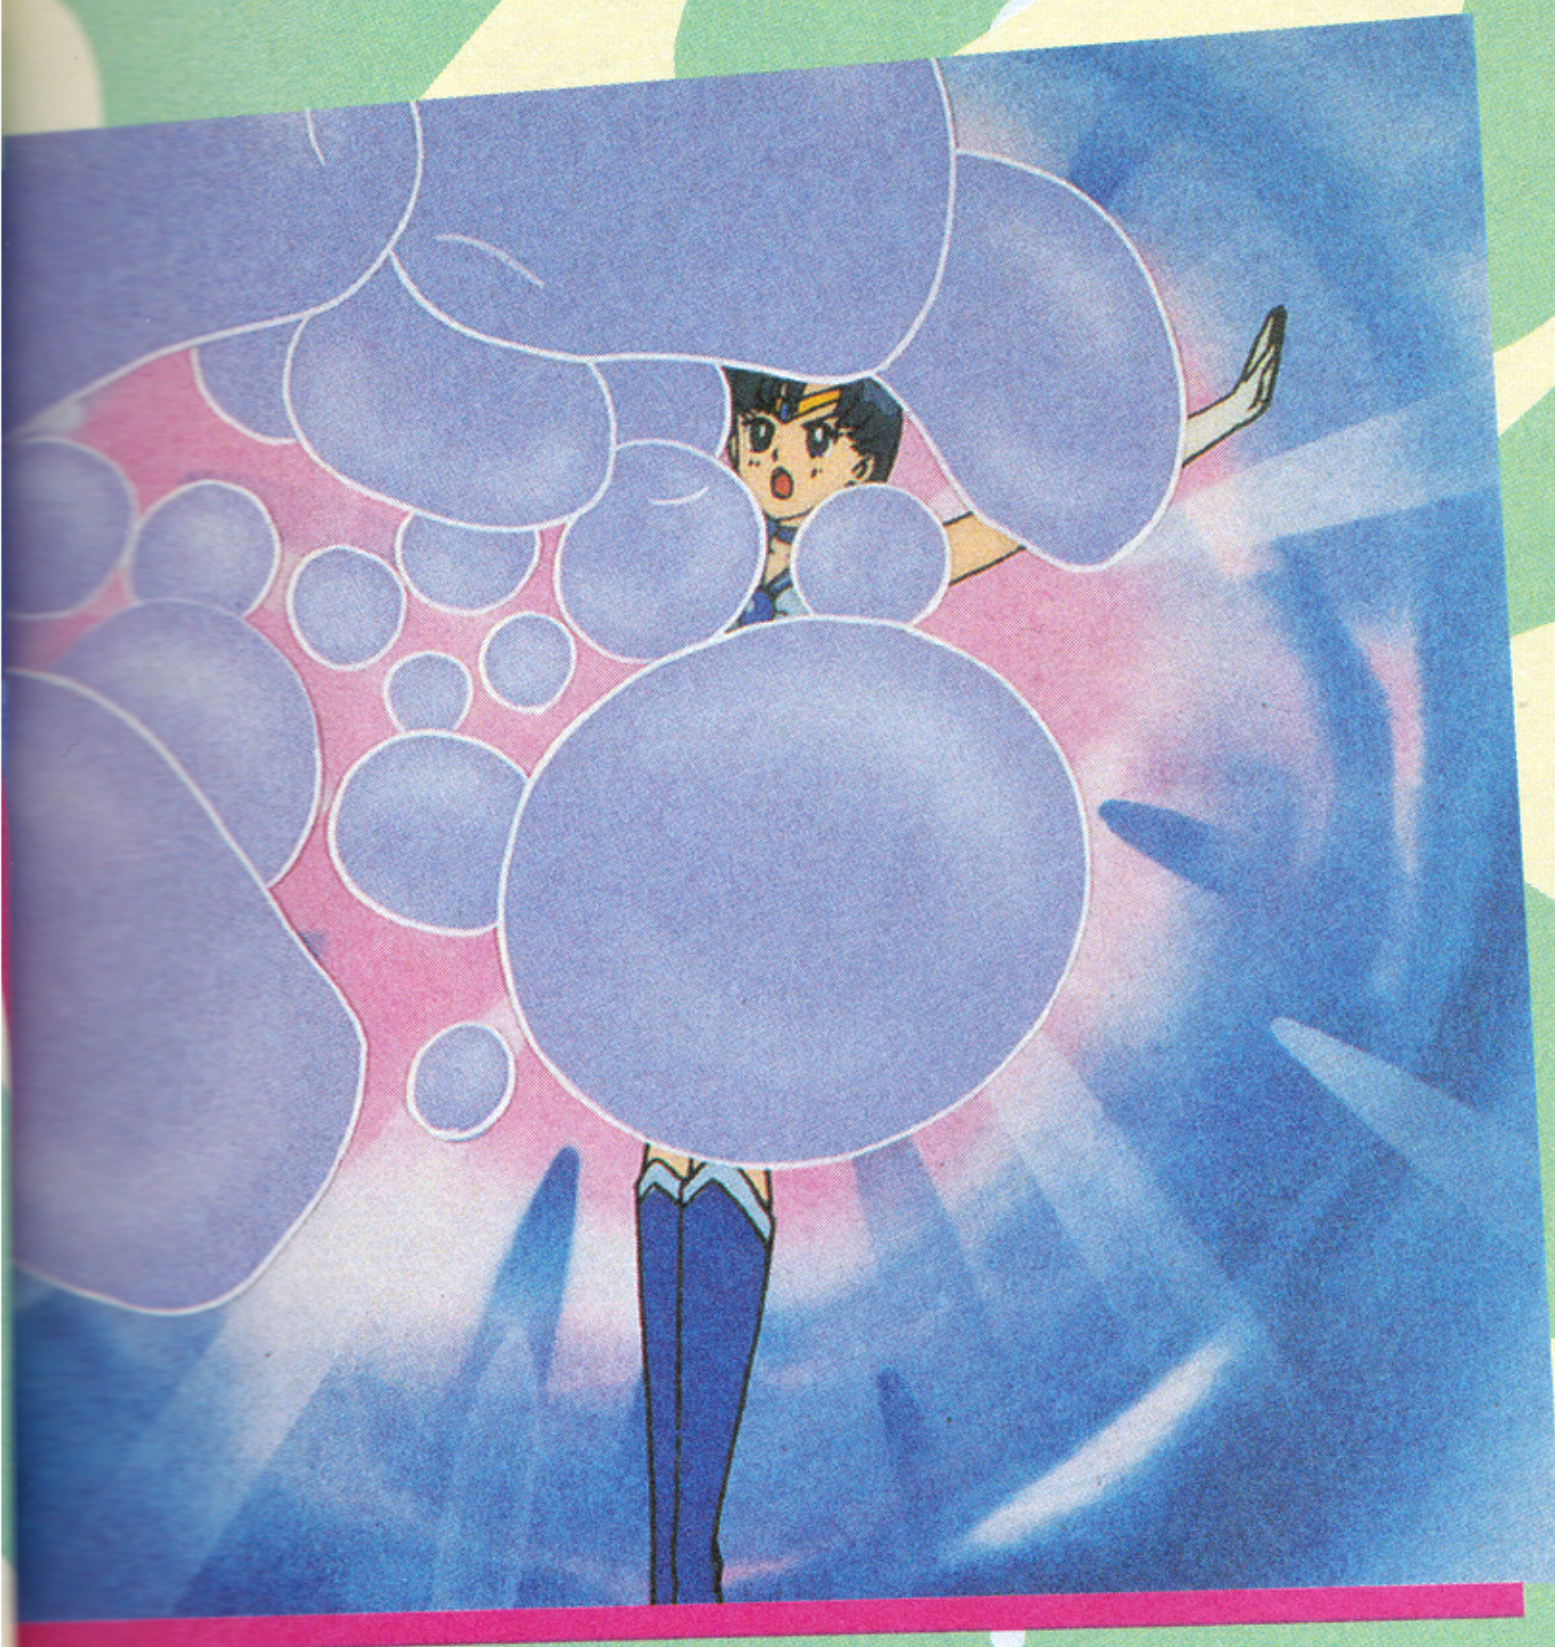

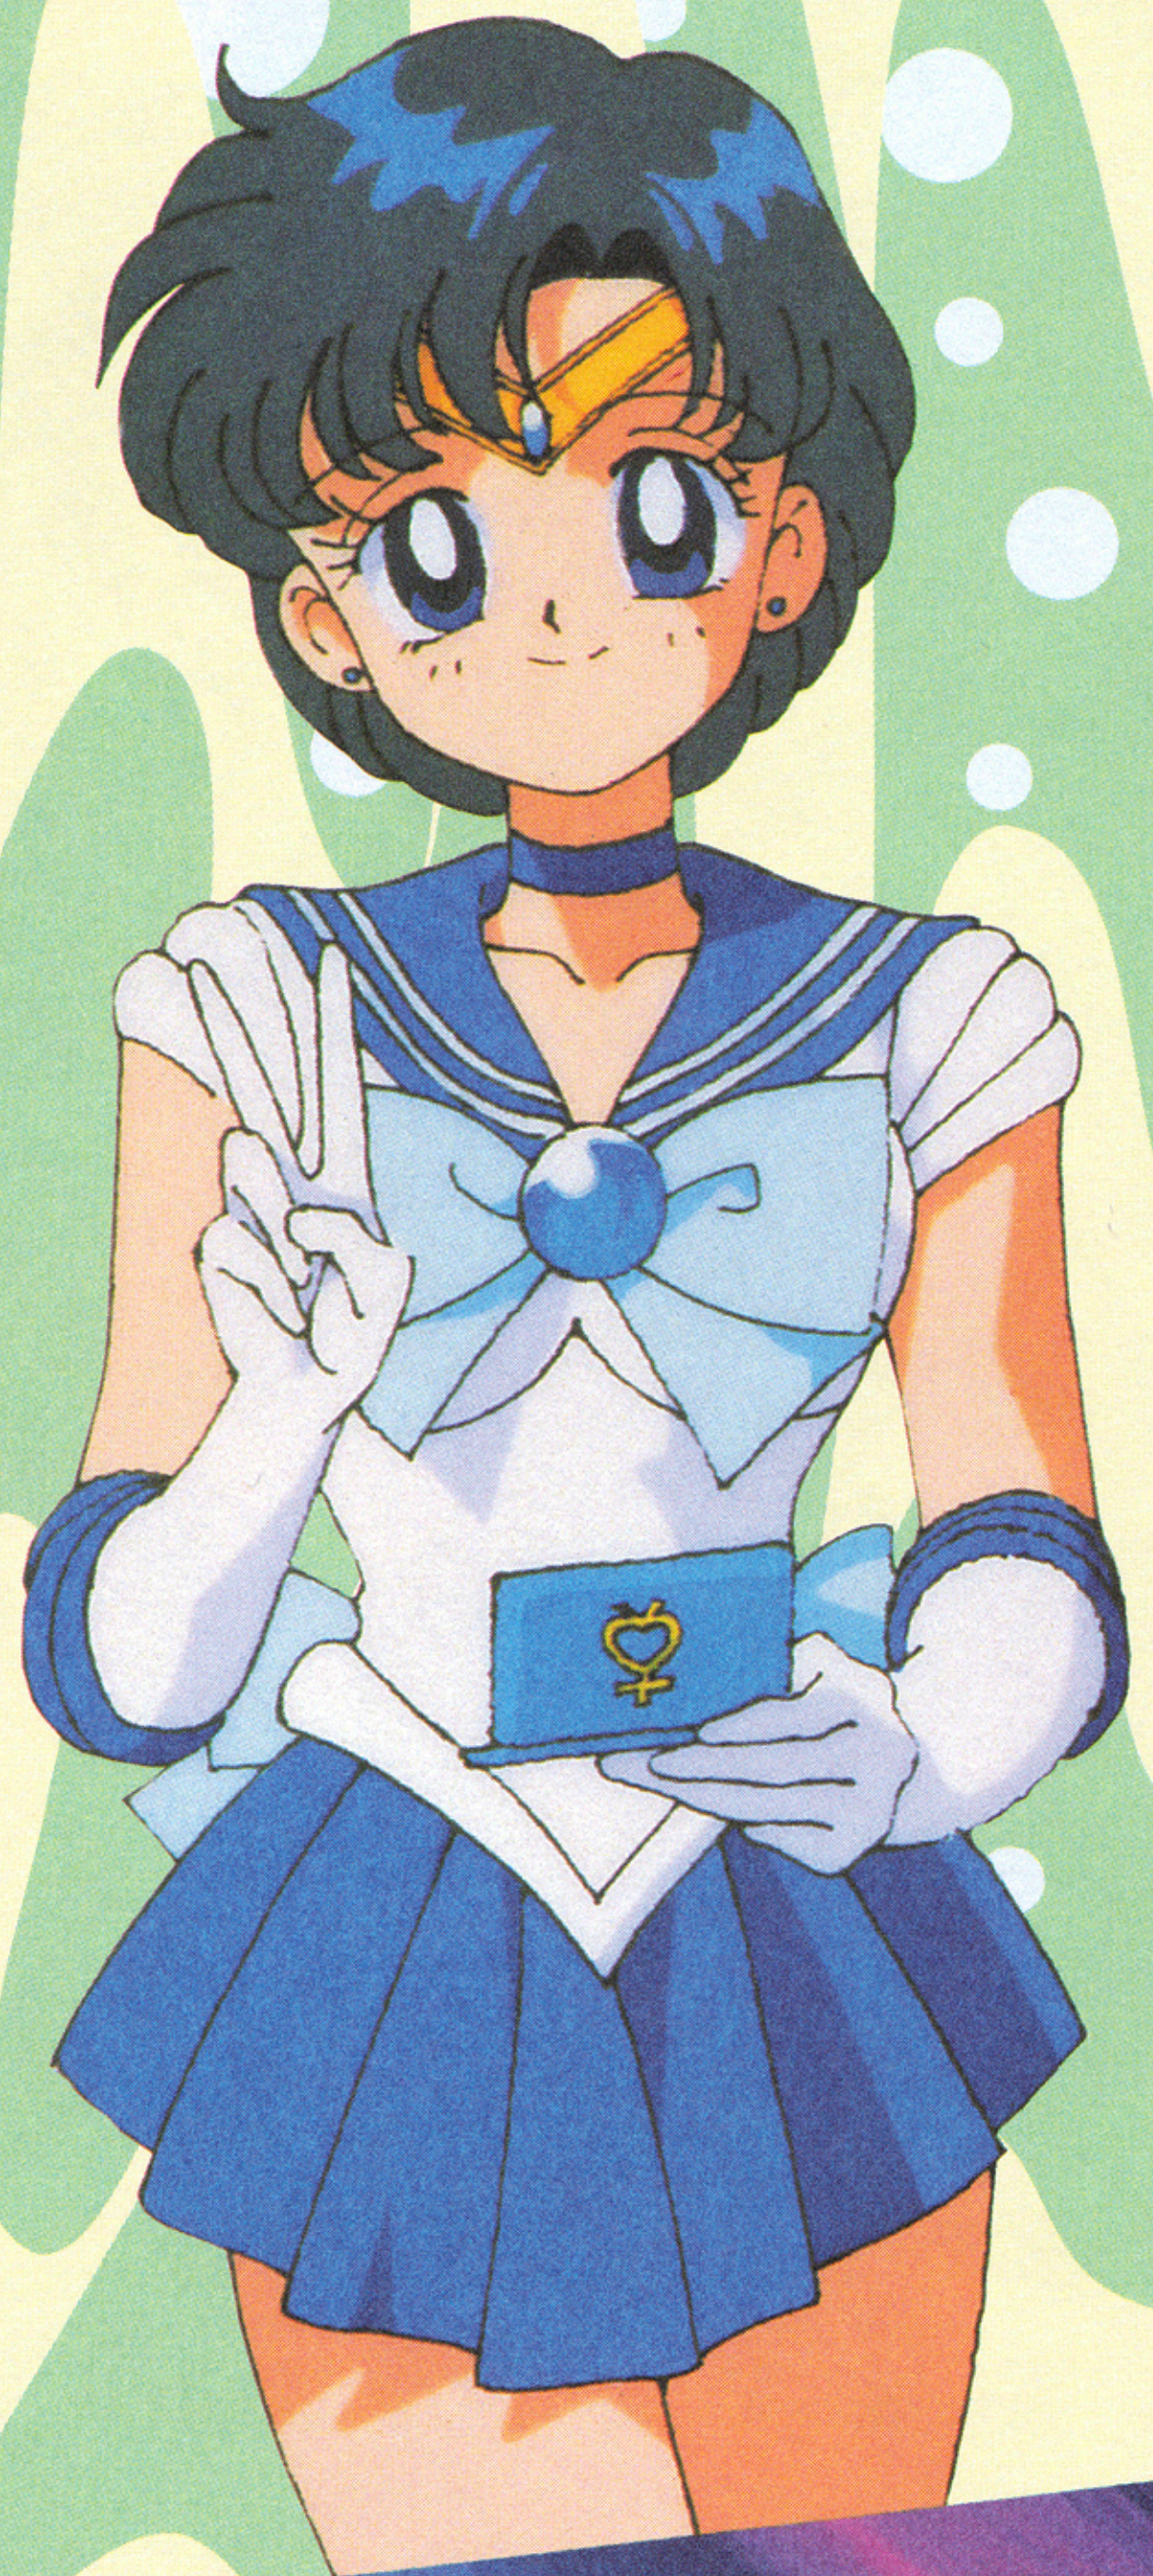

**MERCURY... POWER!**

Sailor Mercury temporarily blinds her enemies with a blast of Mercury Foam Bubbles. This intelligent Sailor Scout also carries a miniature computer disguised as a compact.

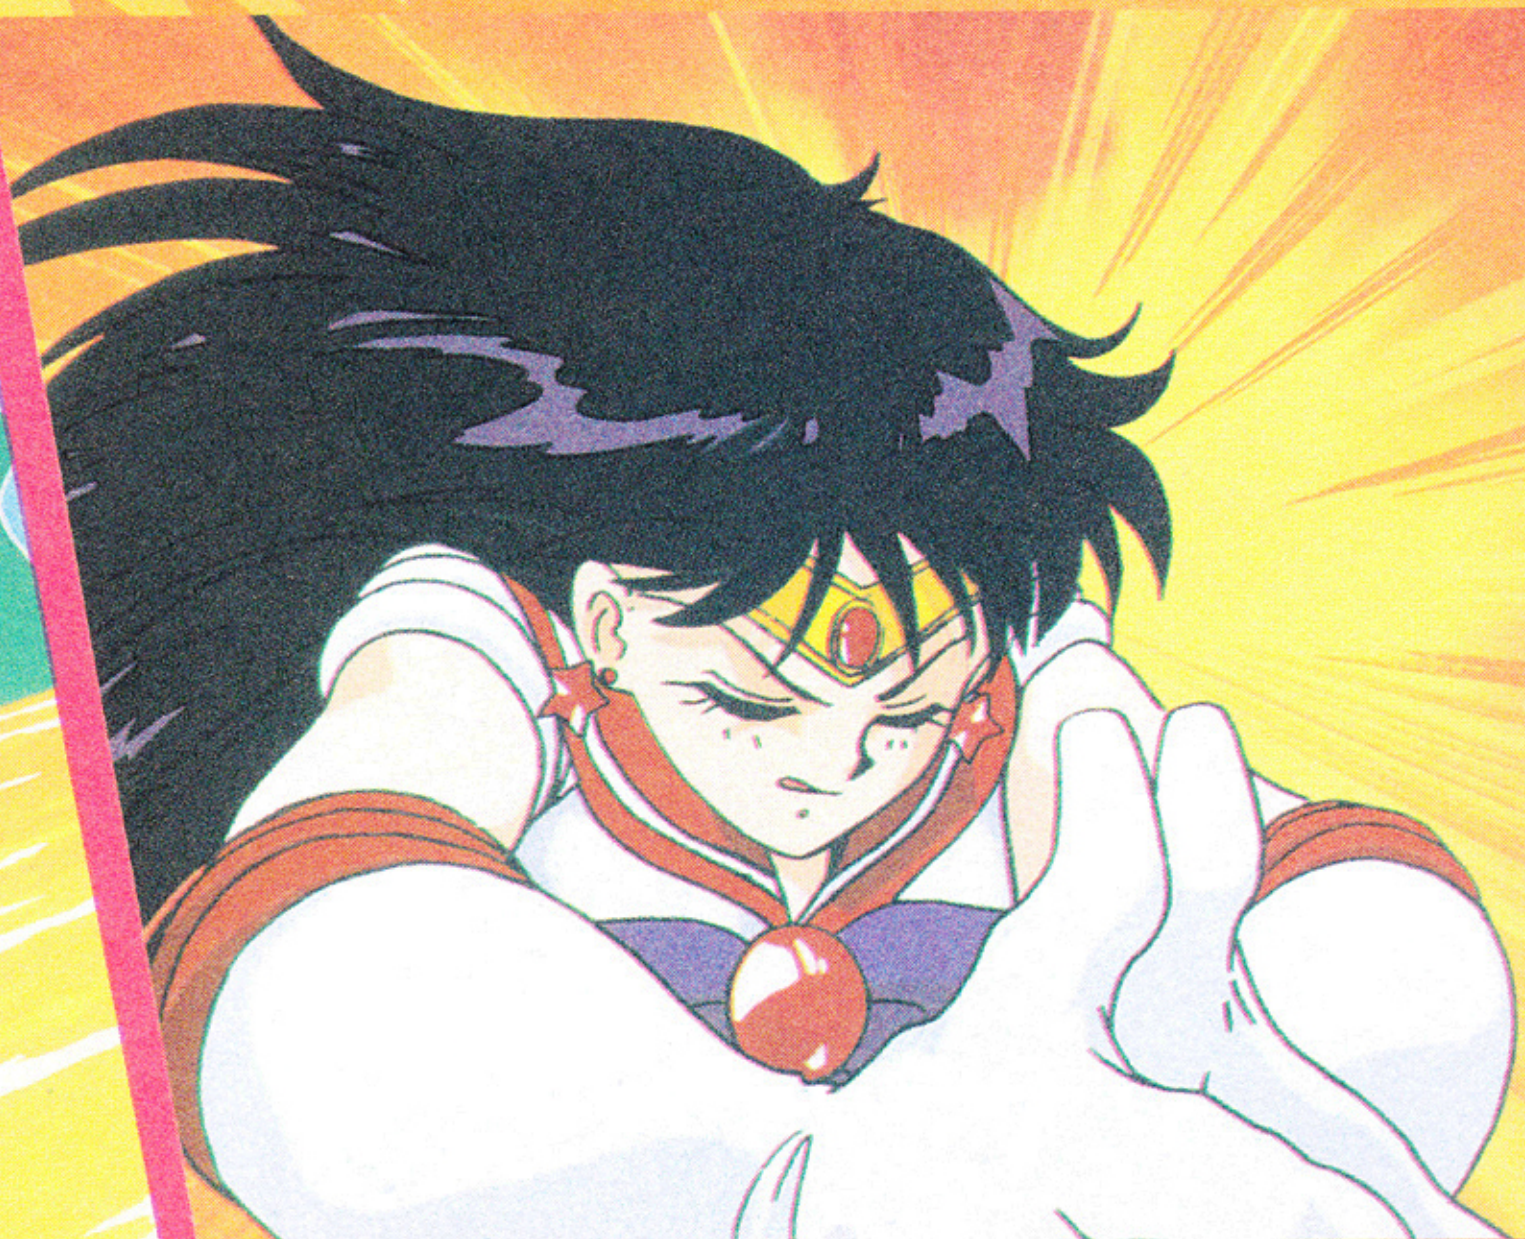

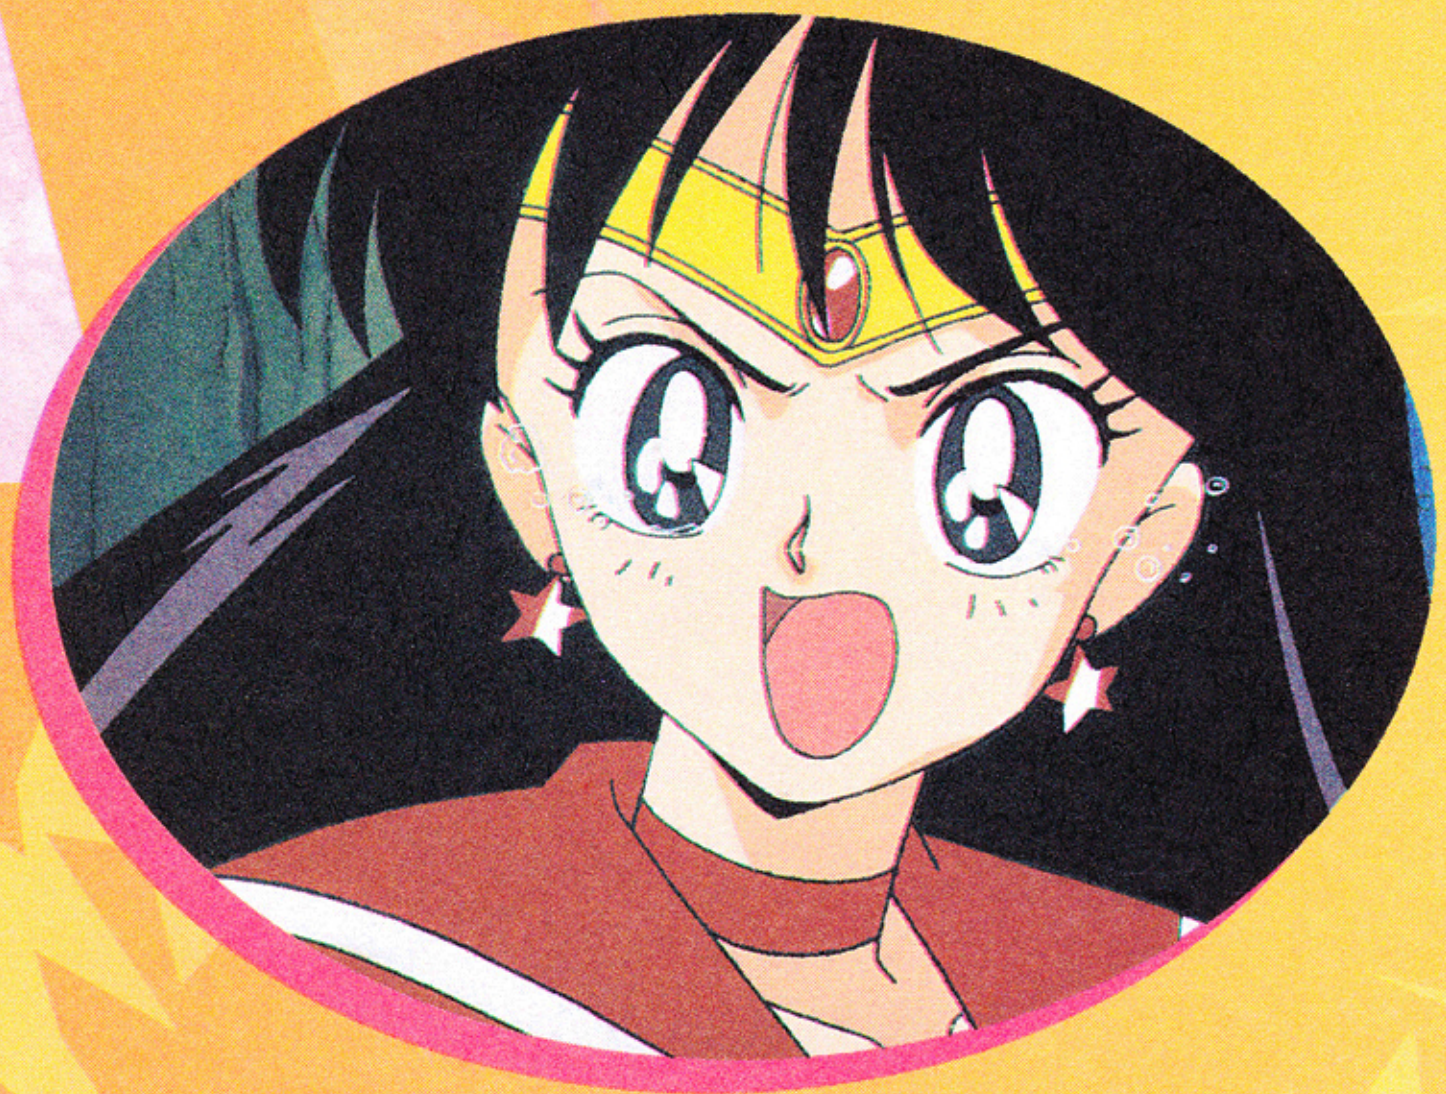

# SAILOR MERCURY

BRILLIANT  
FIGHTER!

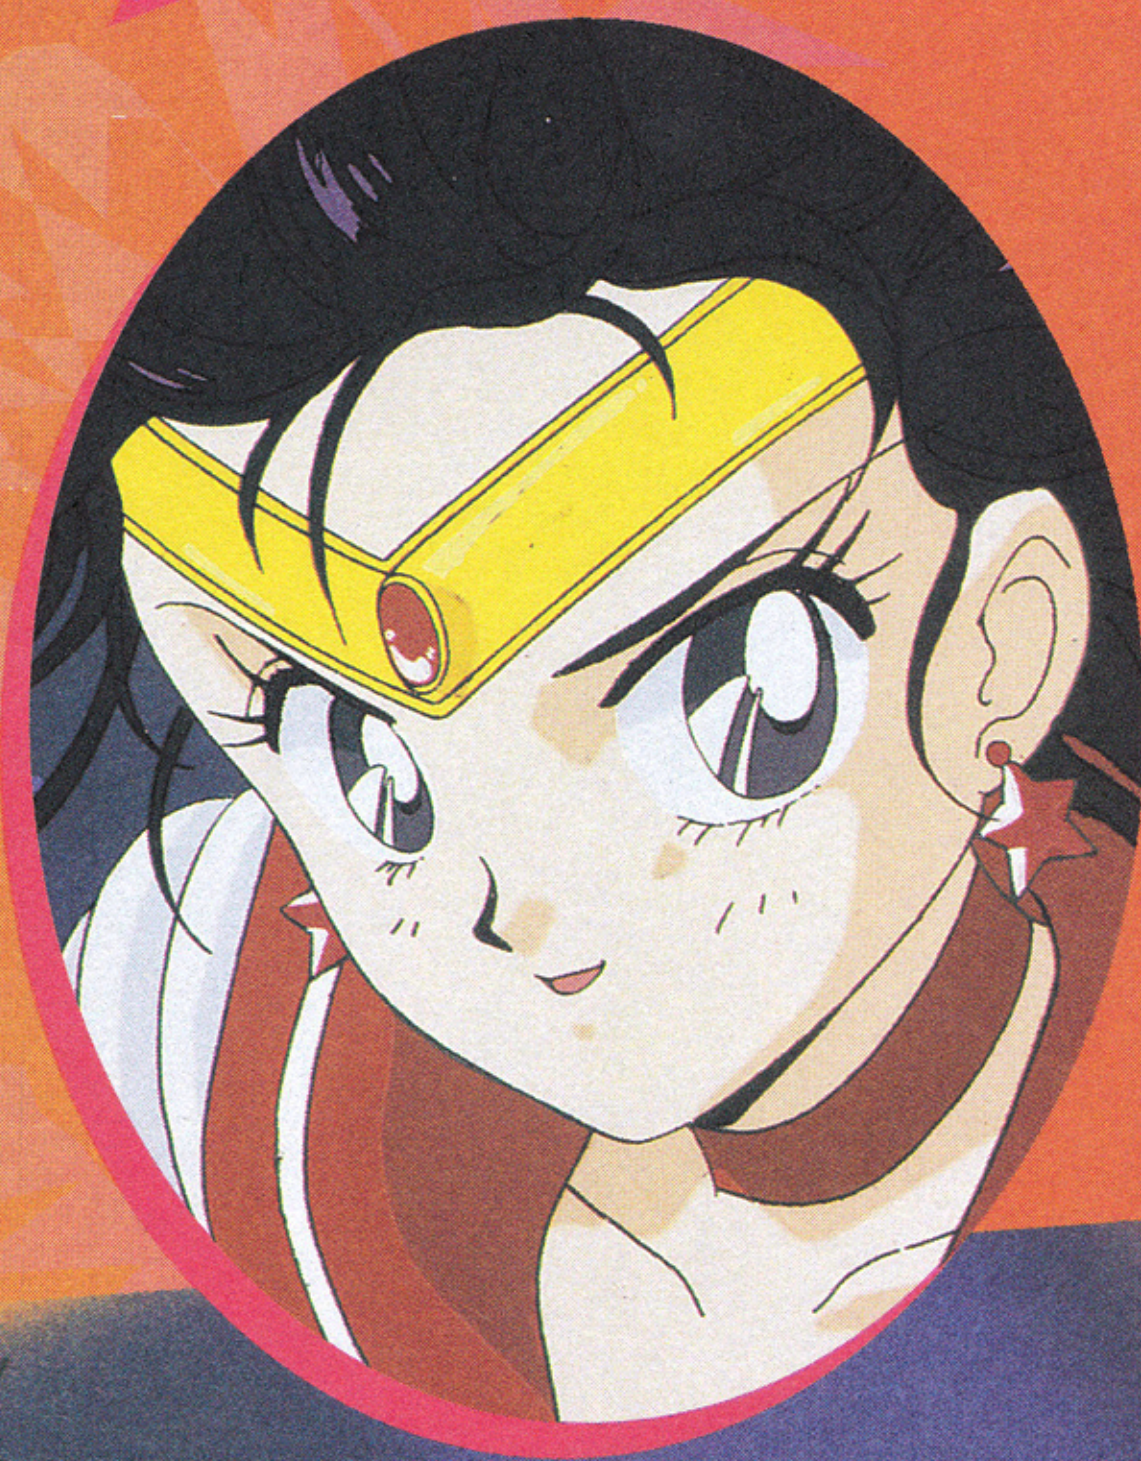

# PASSIONATE FIGHTER!

Raye is the dedicated Sailor Mars. Watch out! She can make streams of fireballs shoot out of her fingers by placing her hands together.

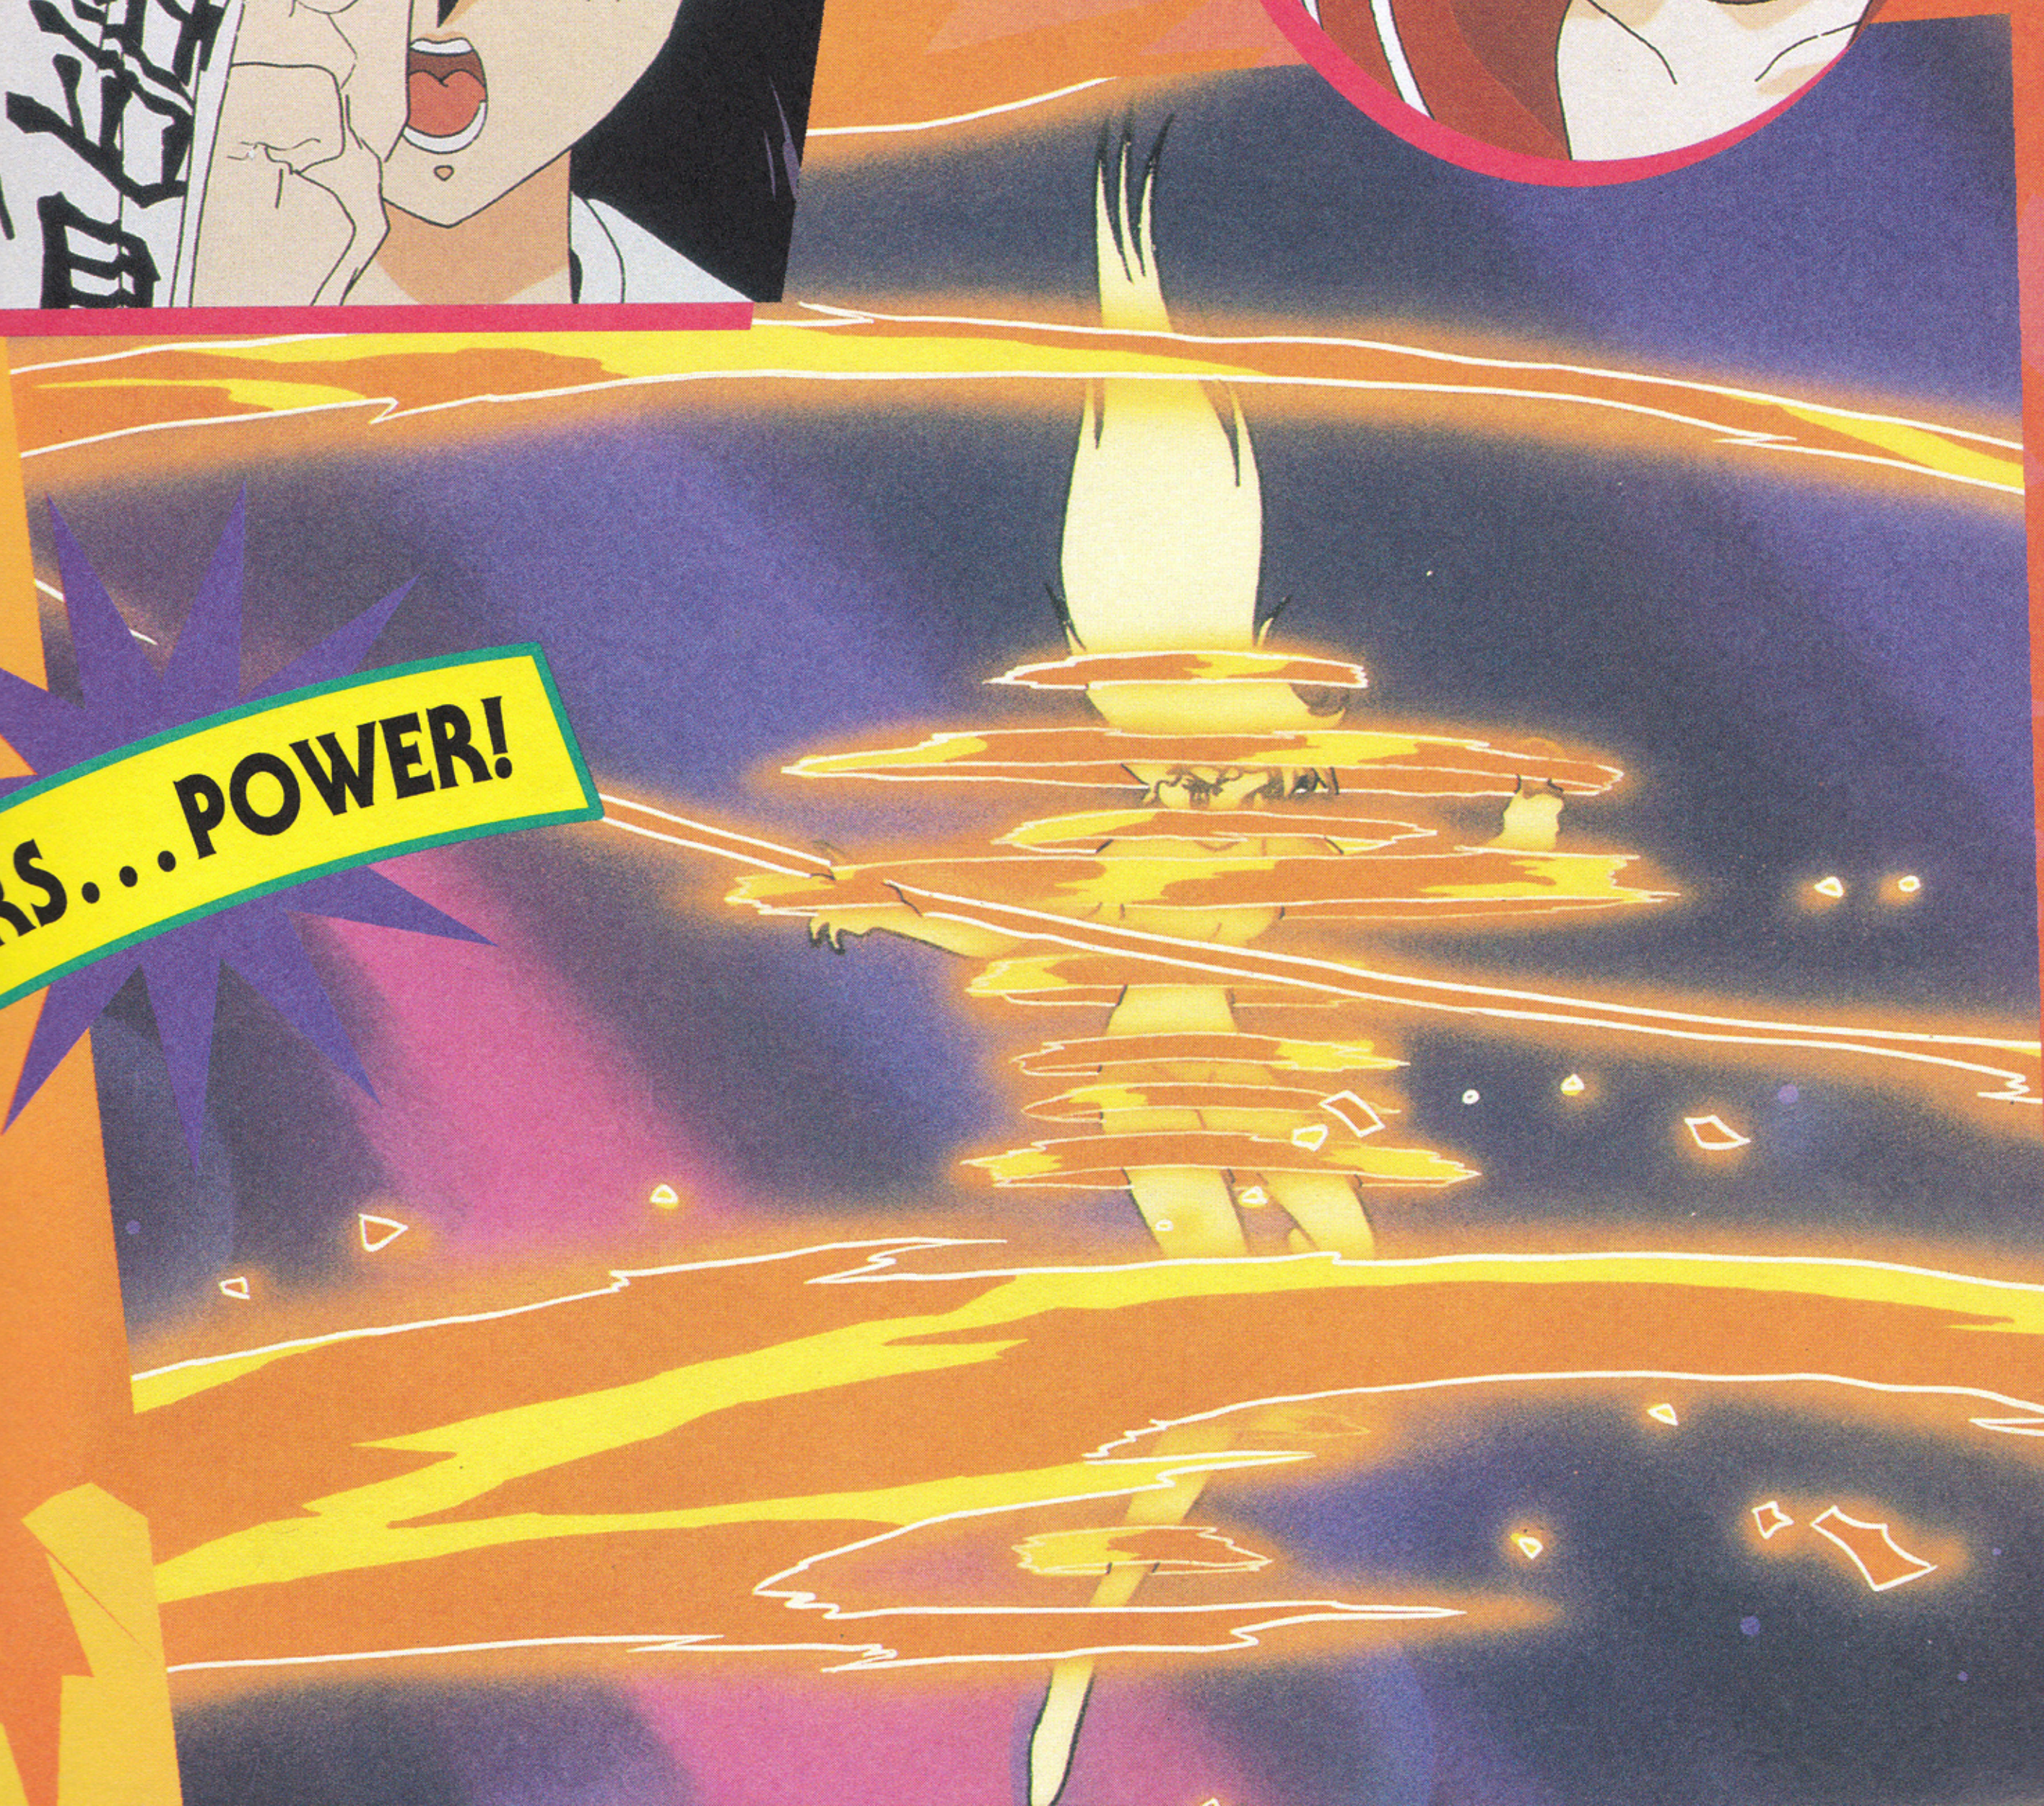

# SAILOR MARS

Sailor Mars also uses a parchment scroll to defeat Queen Beryl's evil creatures.

**MARS... POWER!**

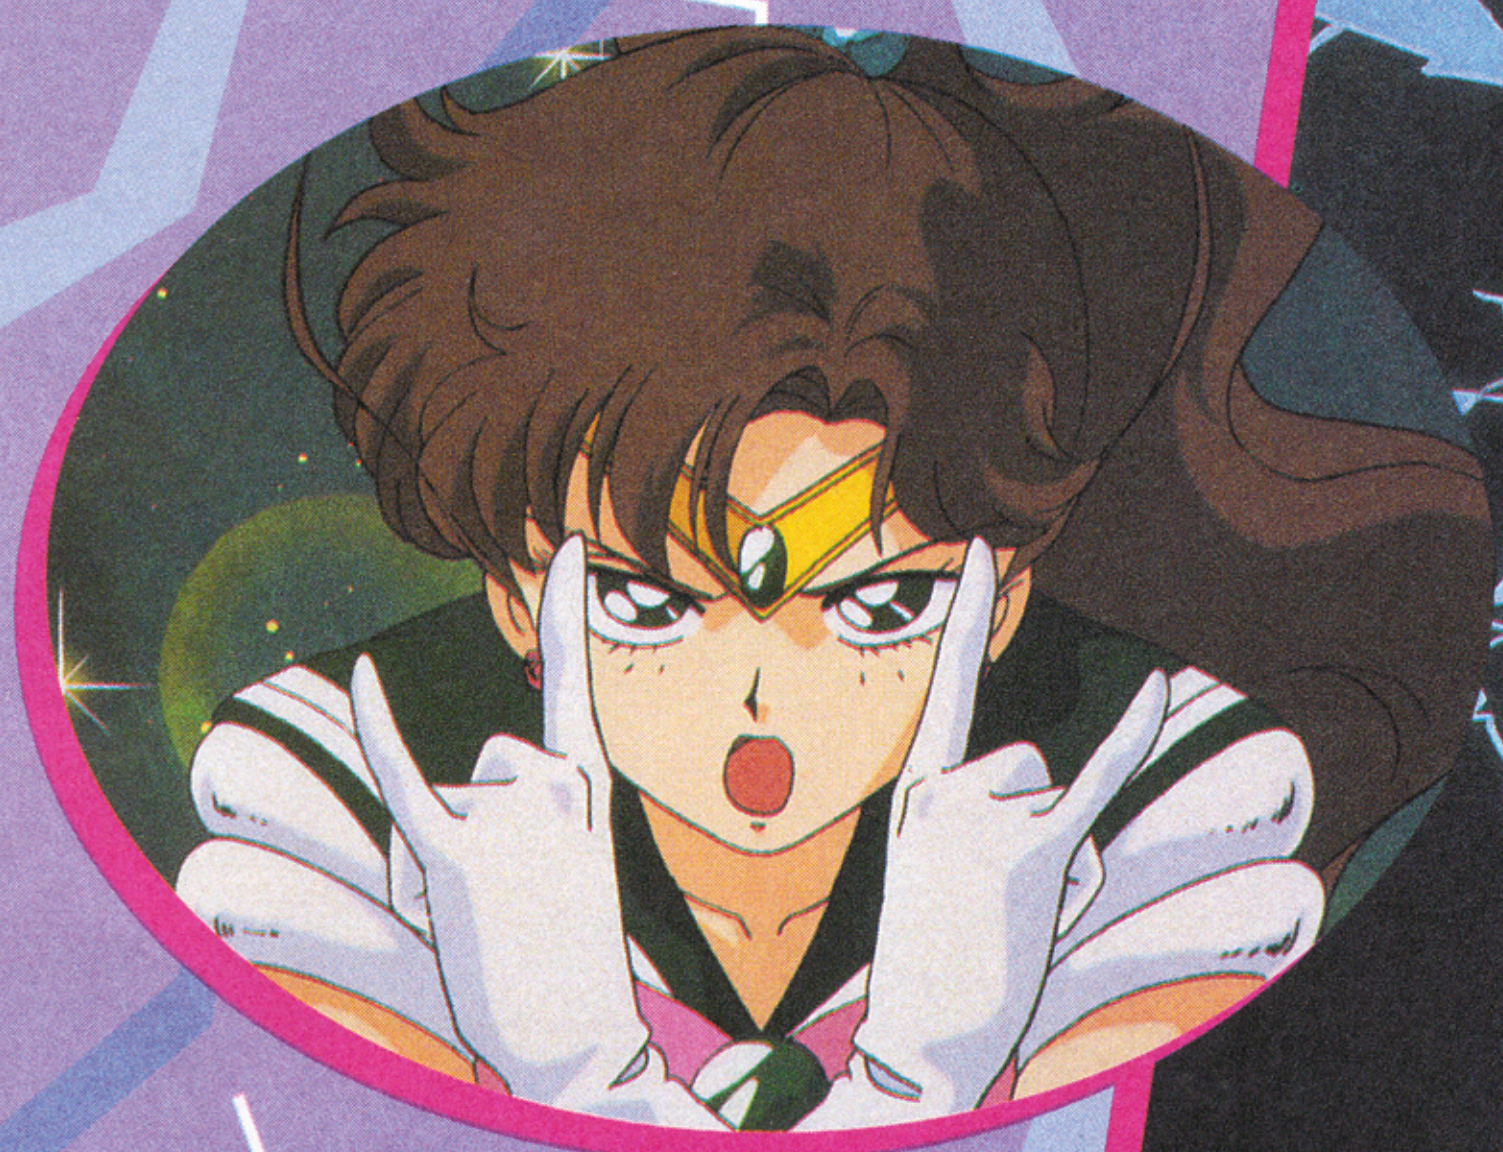

Athletic Lita transforms into Sailor Jupiter. The crystal in her Golden Tiara has an antenna that releases the electrical power and force of a thunderstorm on her enemies.

# SAILOR JUPITER

**ENERGETIC  
FIGHTER!**

**JUPITER... POWER!**

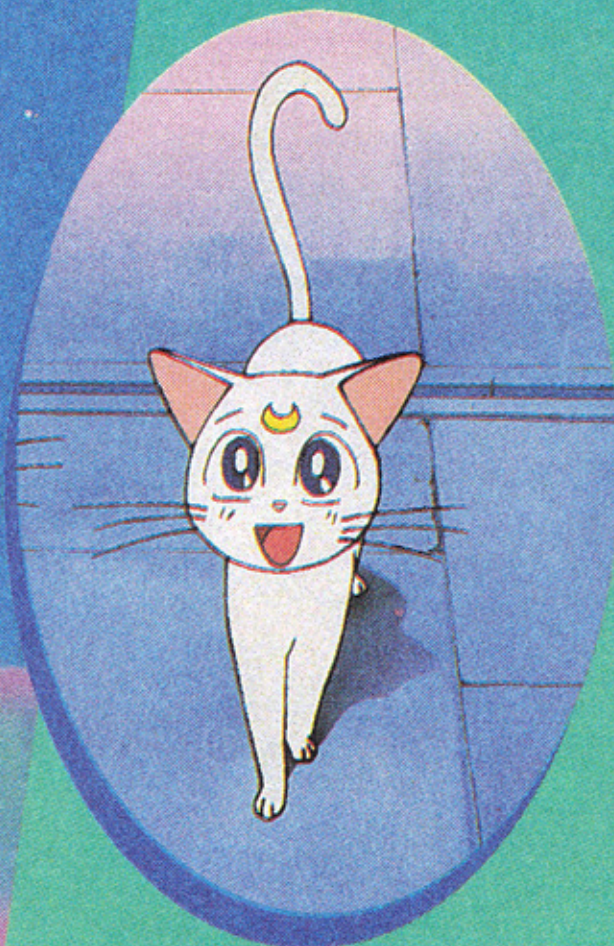

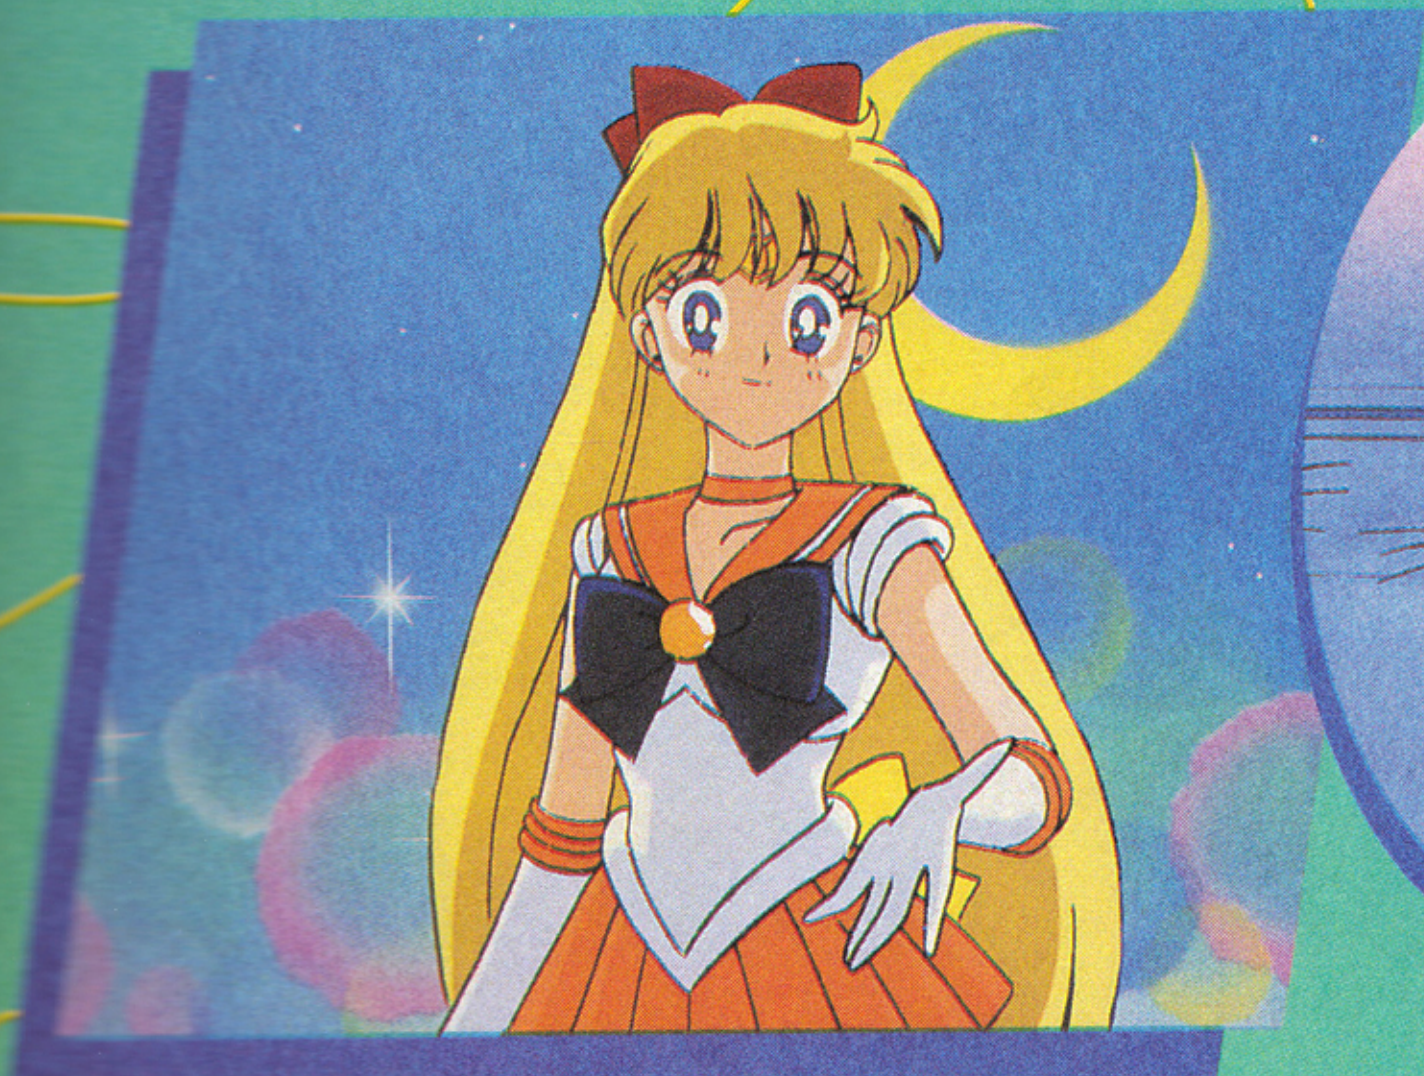

**VENUS... POWER!**

# SAILOR VENUS

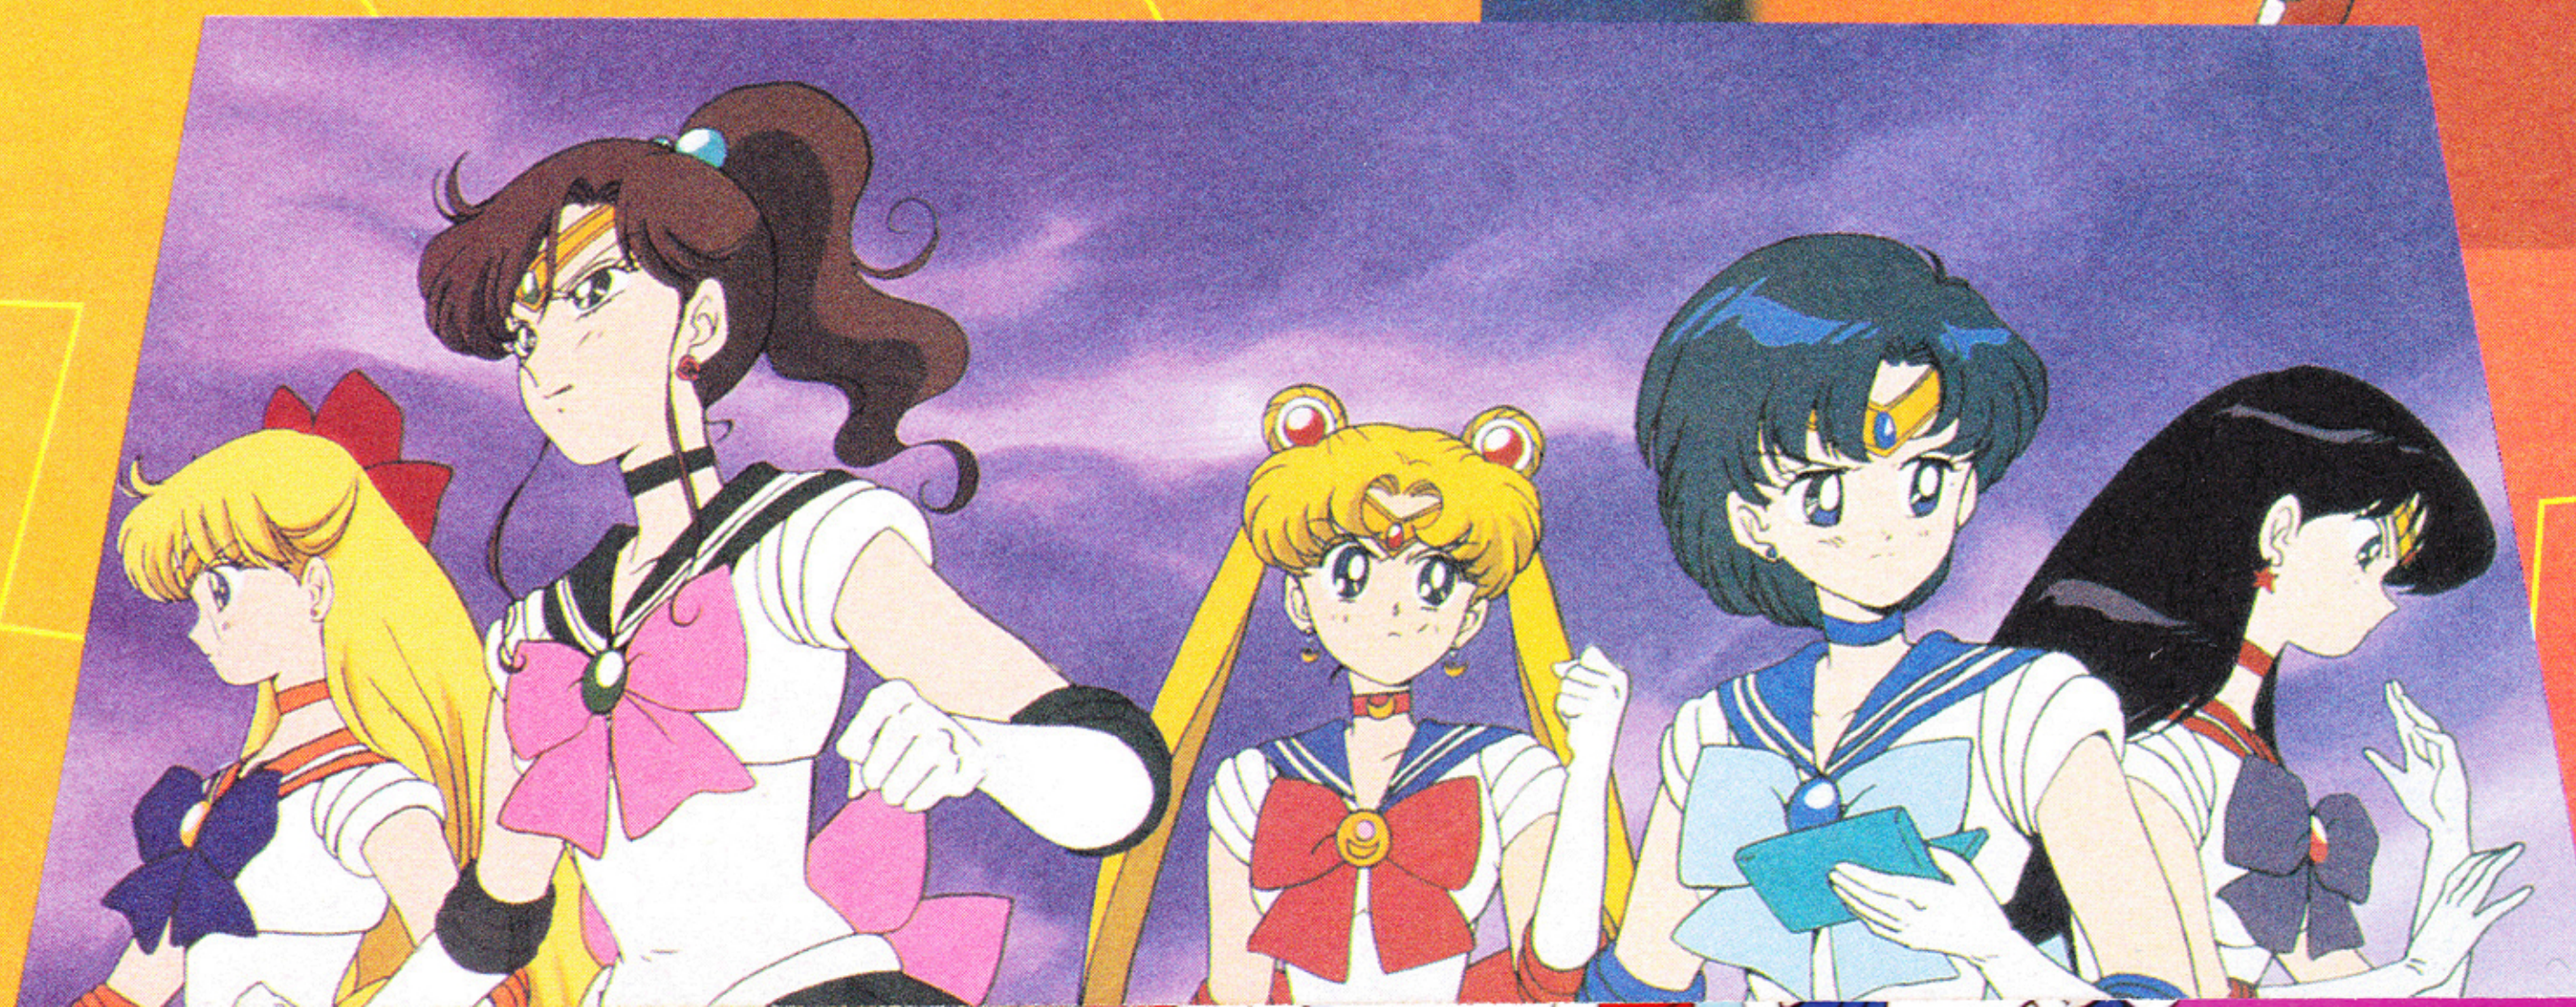

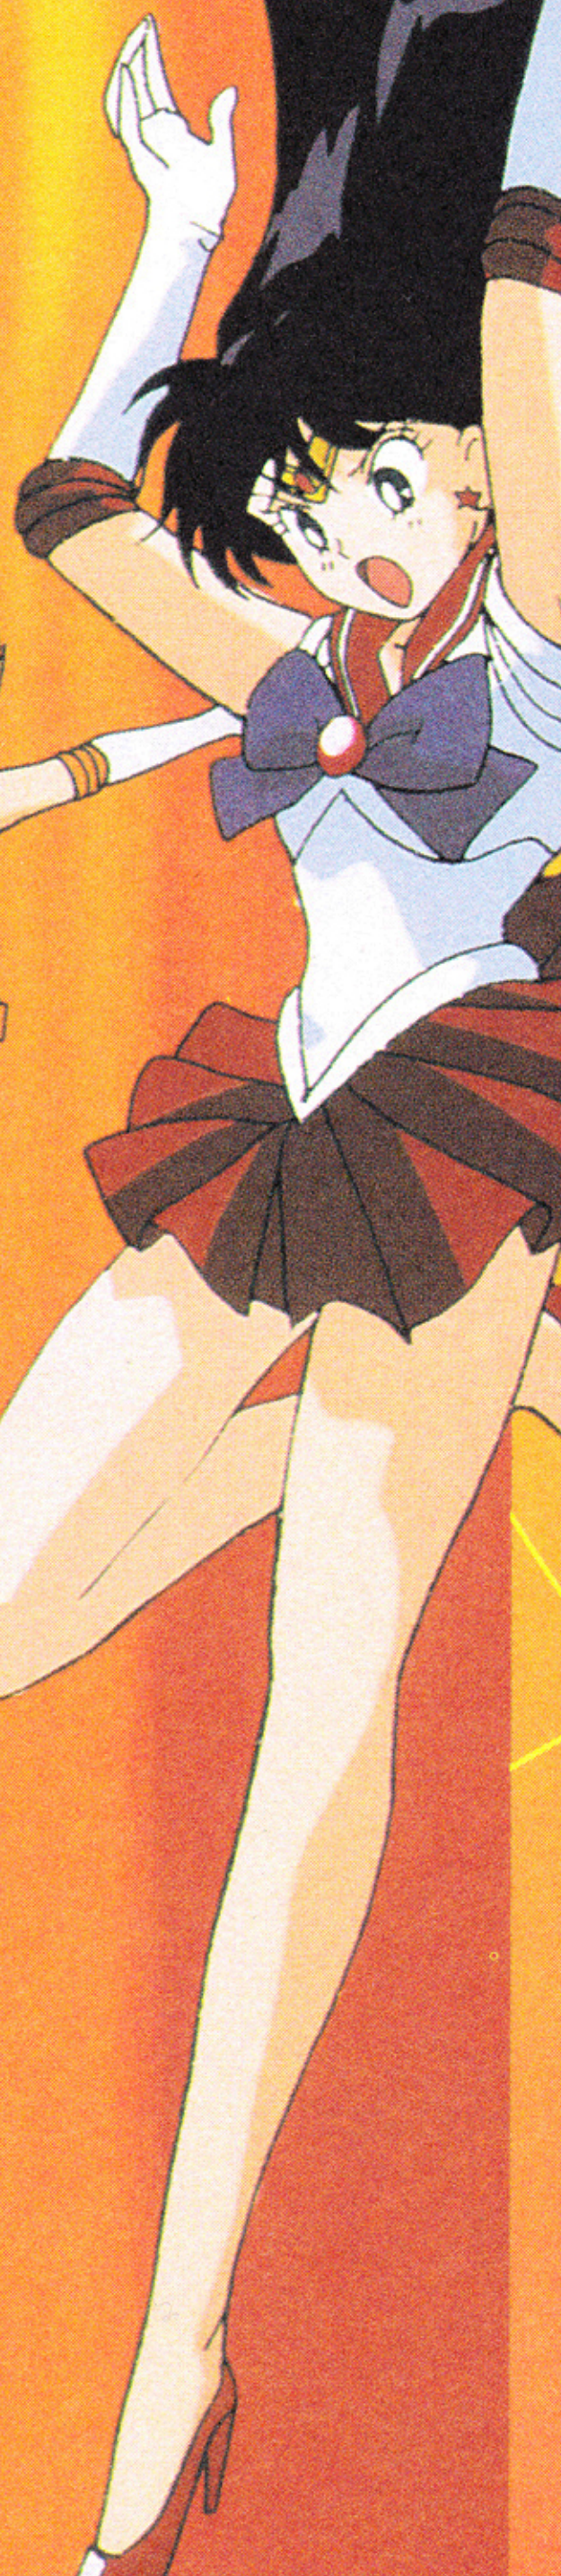

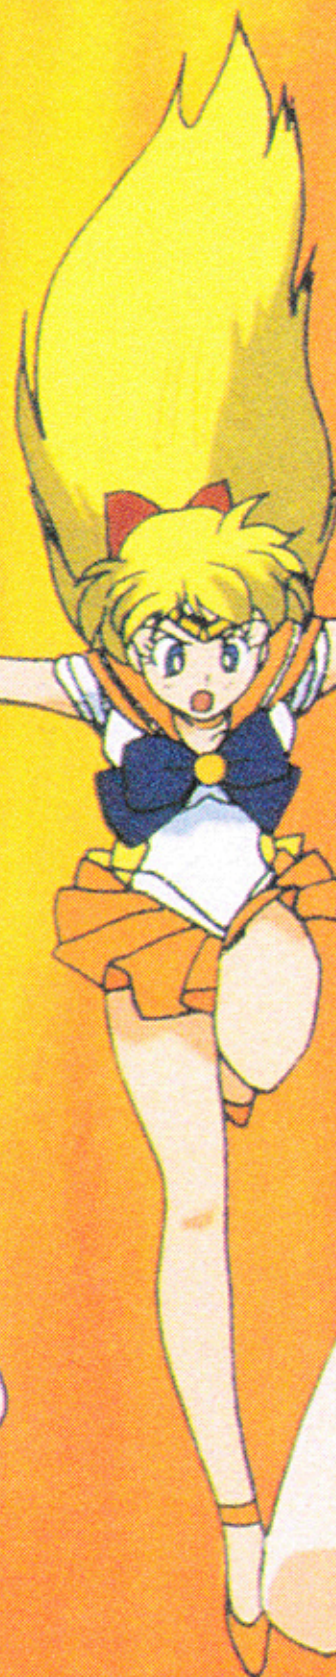

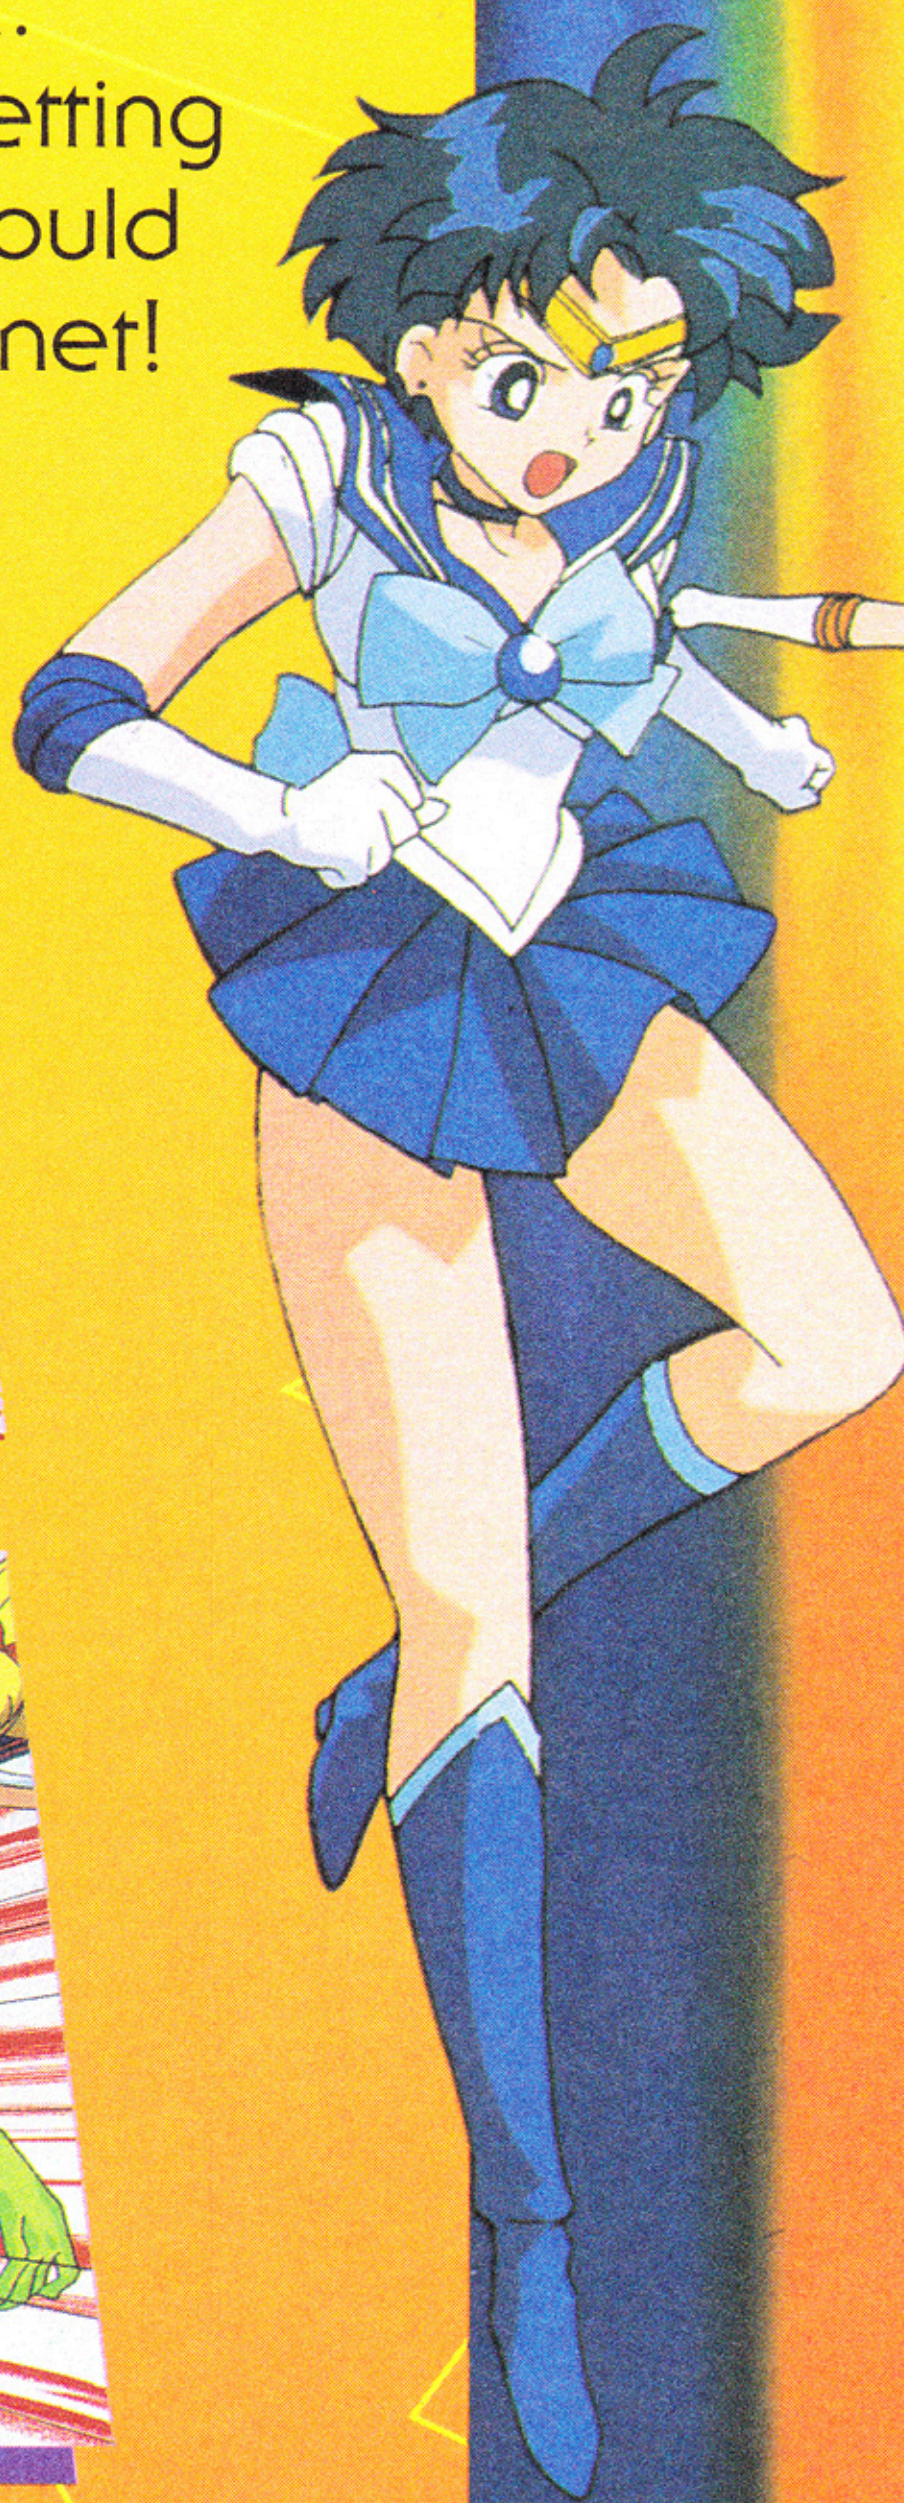

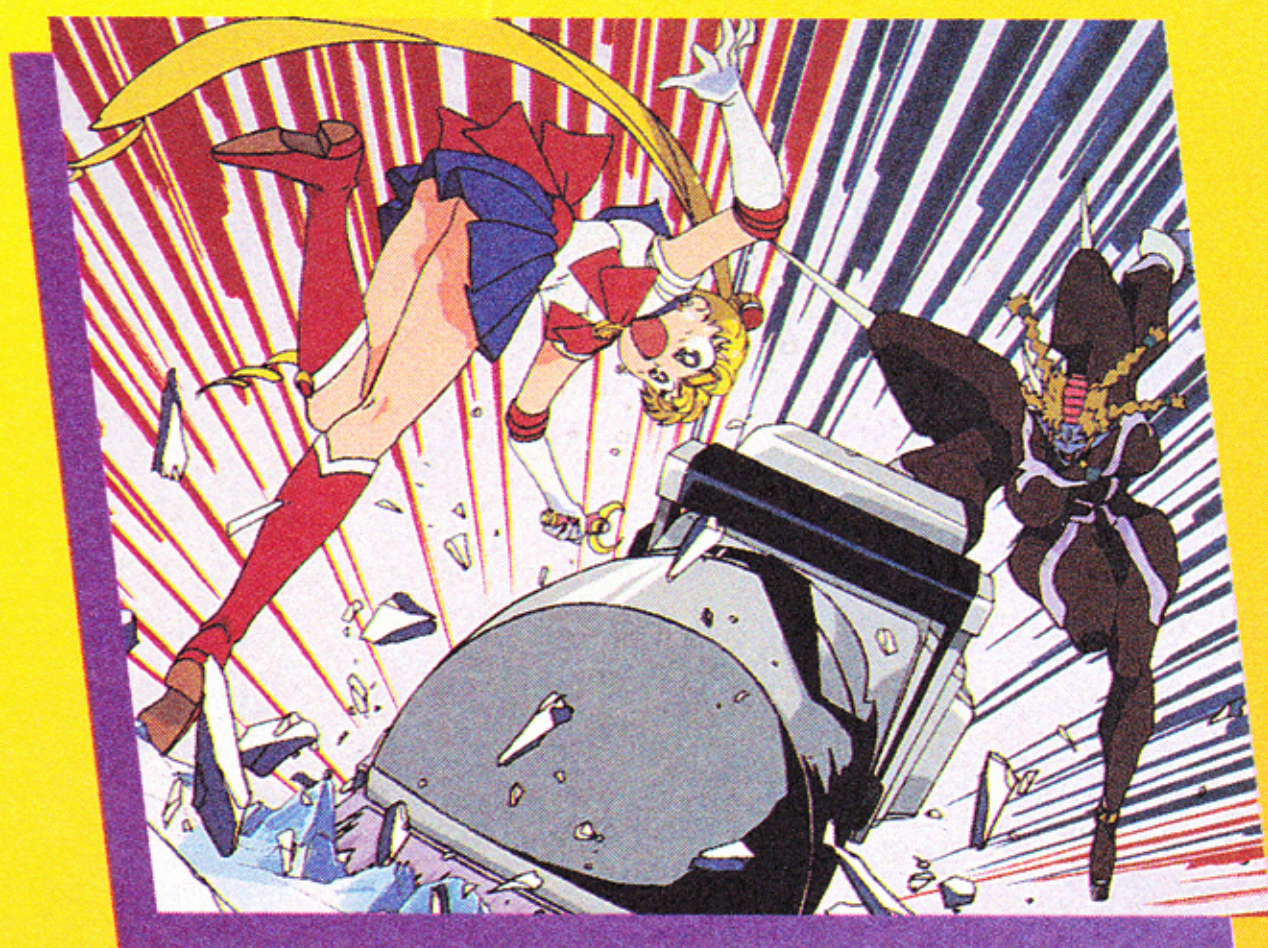

Mina has been fighting evil as the popular Sailor Venus for a long time on her own. With Artemis, her cat guardian, she joins the other Sailor Scouts. Her special weapon is a powerful beam of energy in the form of two crescent moons.

**DYNAMIC  
FIGHTER!**

## SAILOR SCOUTS... POWER TIMES FIVE!

The Sailor Scouts are a fabulous fighting team determined to defeat the evil Queen Beryl. They must keep her from getting the Rainbow Crystals that would allow her to destroy the planet!

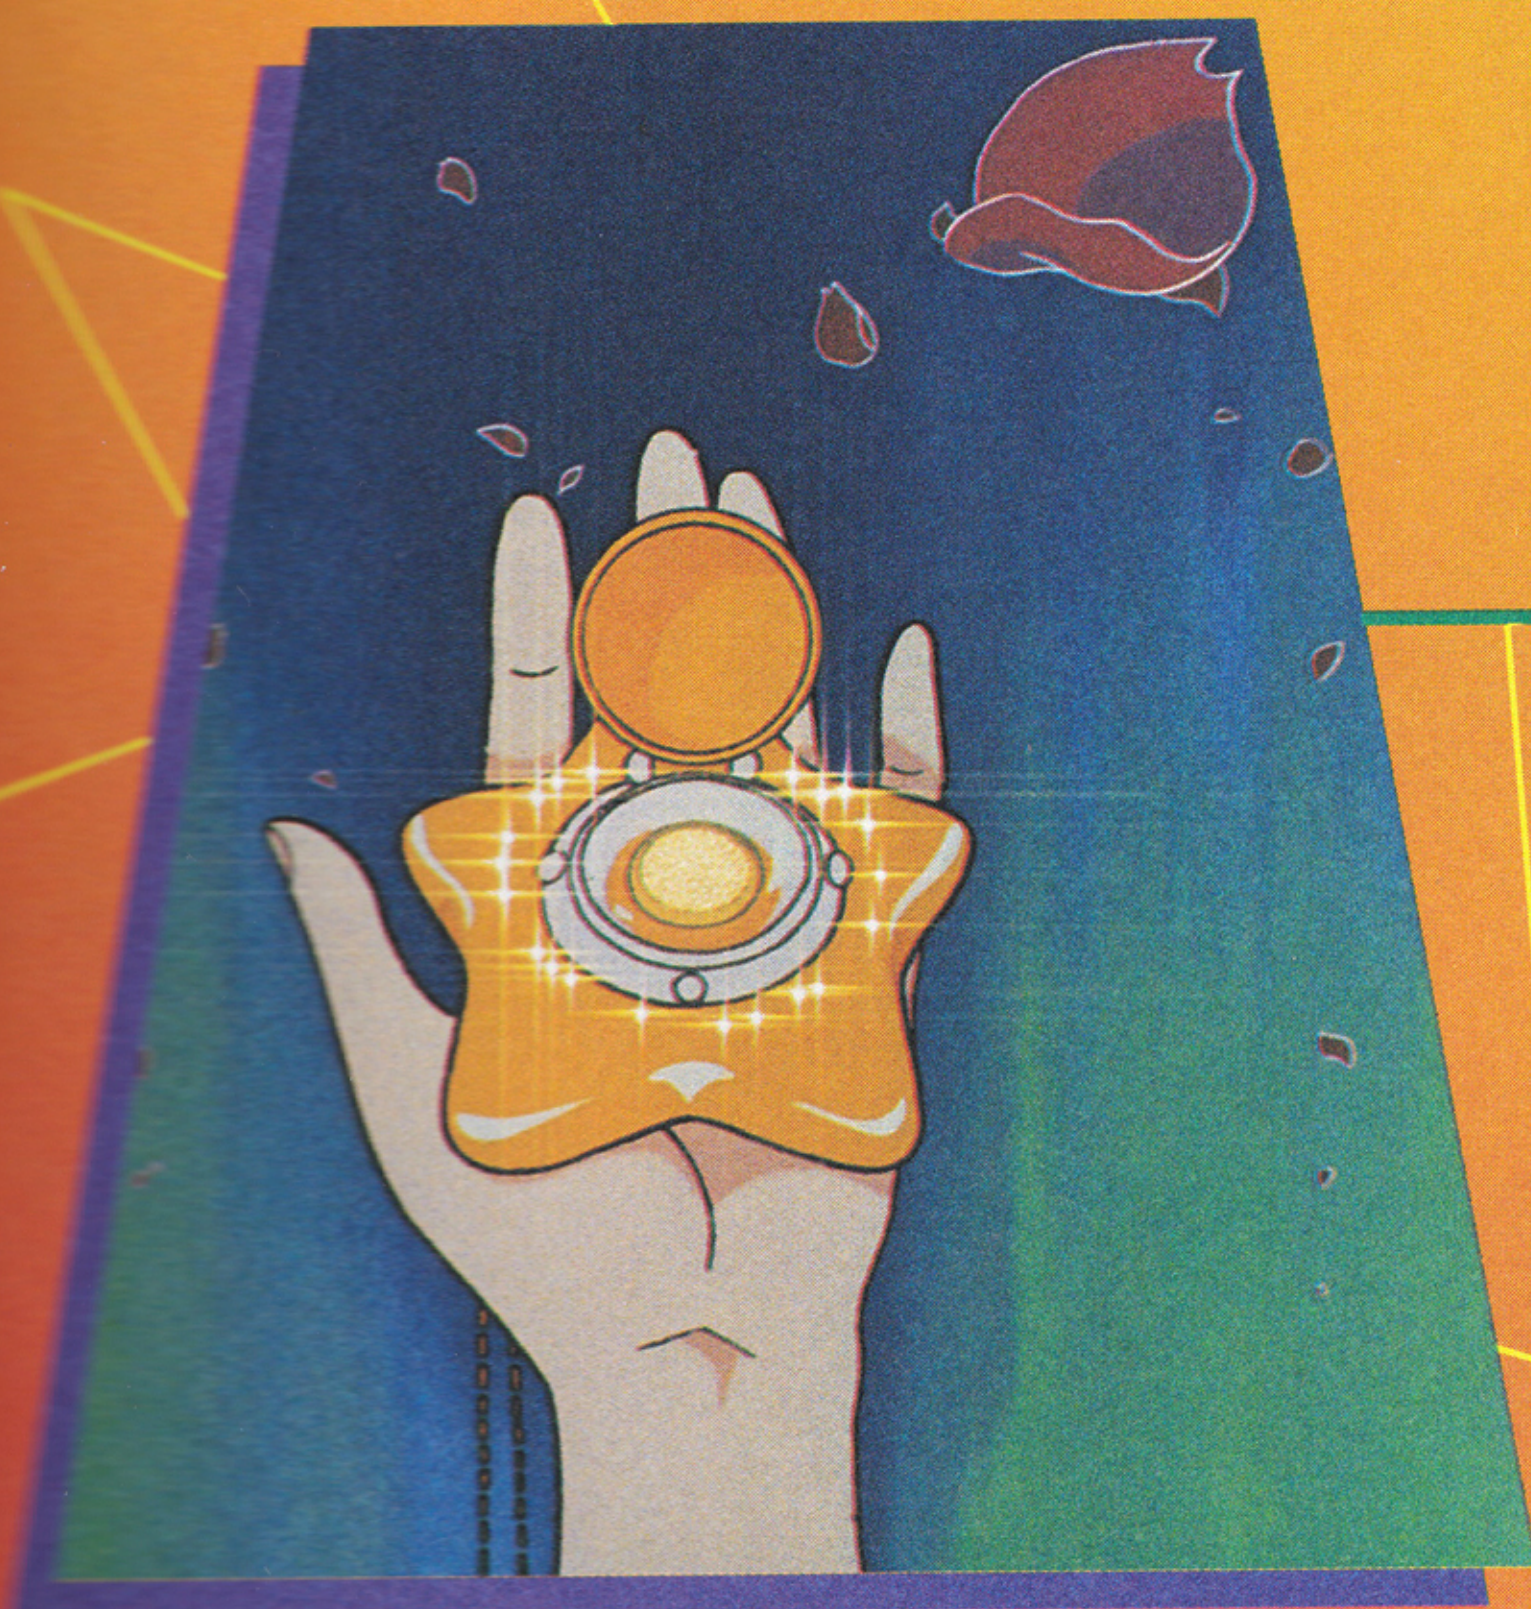

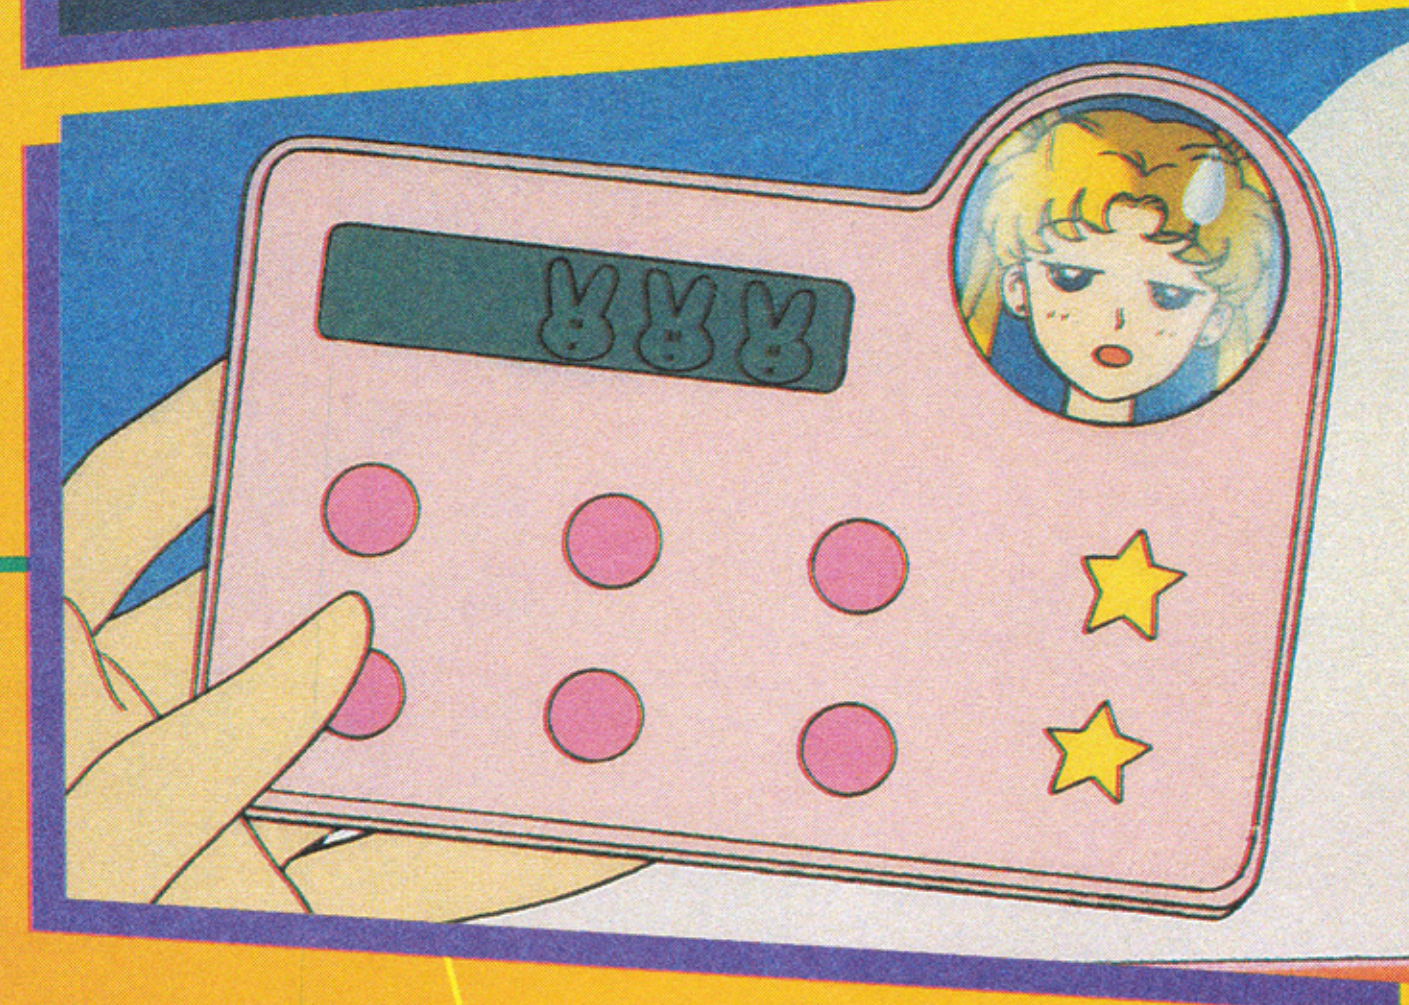

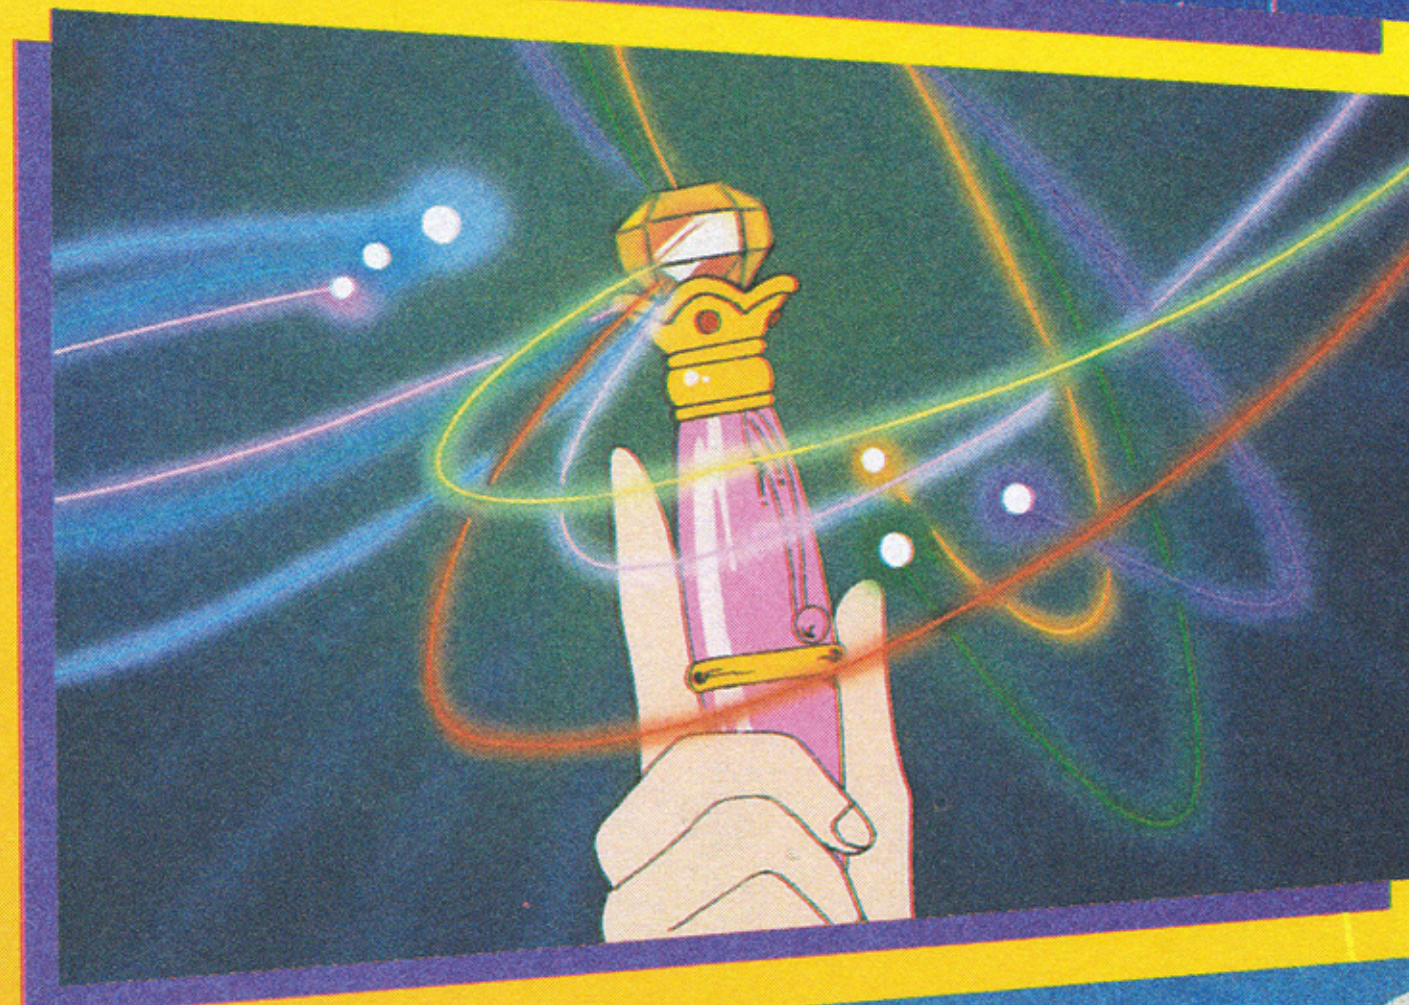

## ARMS AGAINST EVIL

**THE CRESCENT MOON WAND**  
Sailor Moon's wand can remove all evil. It can change Queen Beryl's awful monsters back into harmless human beings.

**LUNA PEN**  
Sailor Moon's Luna Pen is very special because she can disguise herself with it.

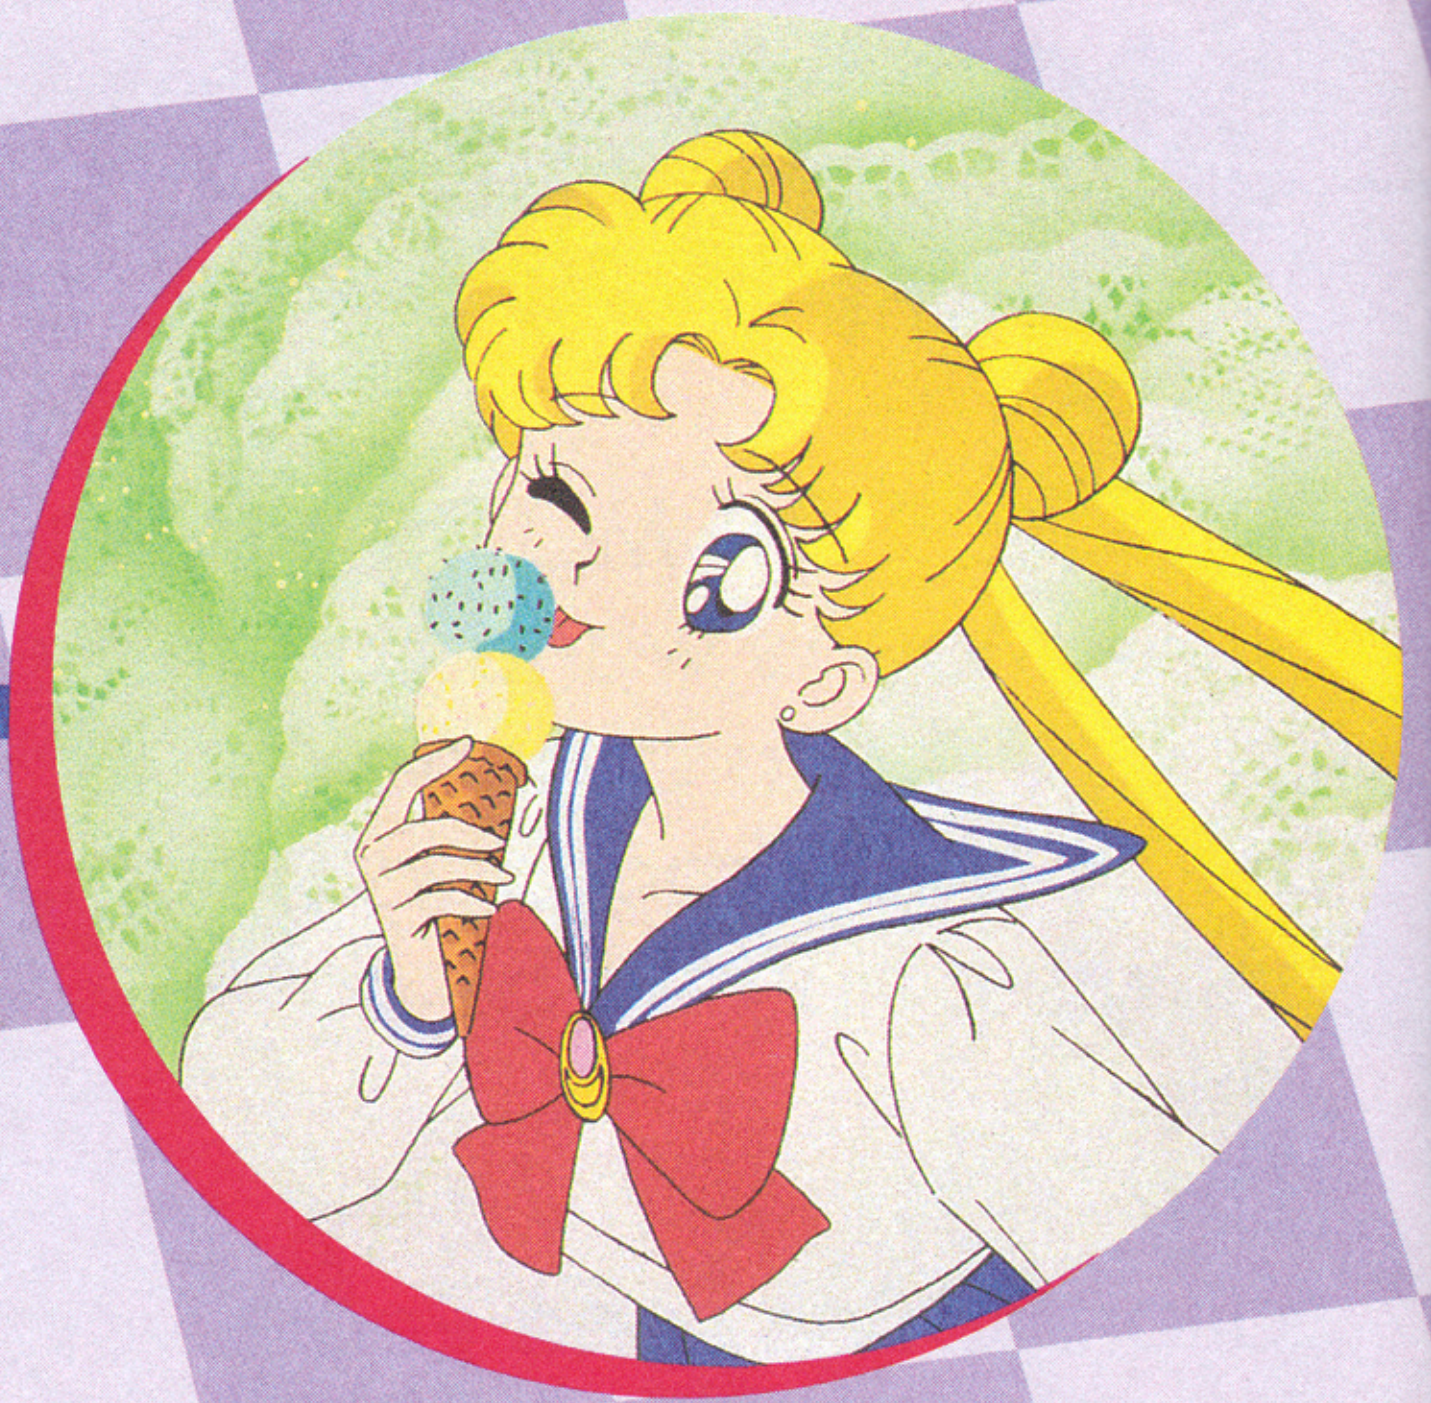

**TRANSMITTER**  
With the transmitter that is disguised as a calculator, Luna can talk with all of the Sailor Scouts.

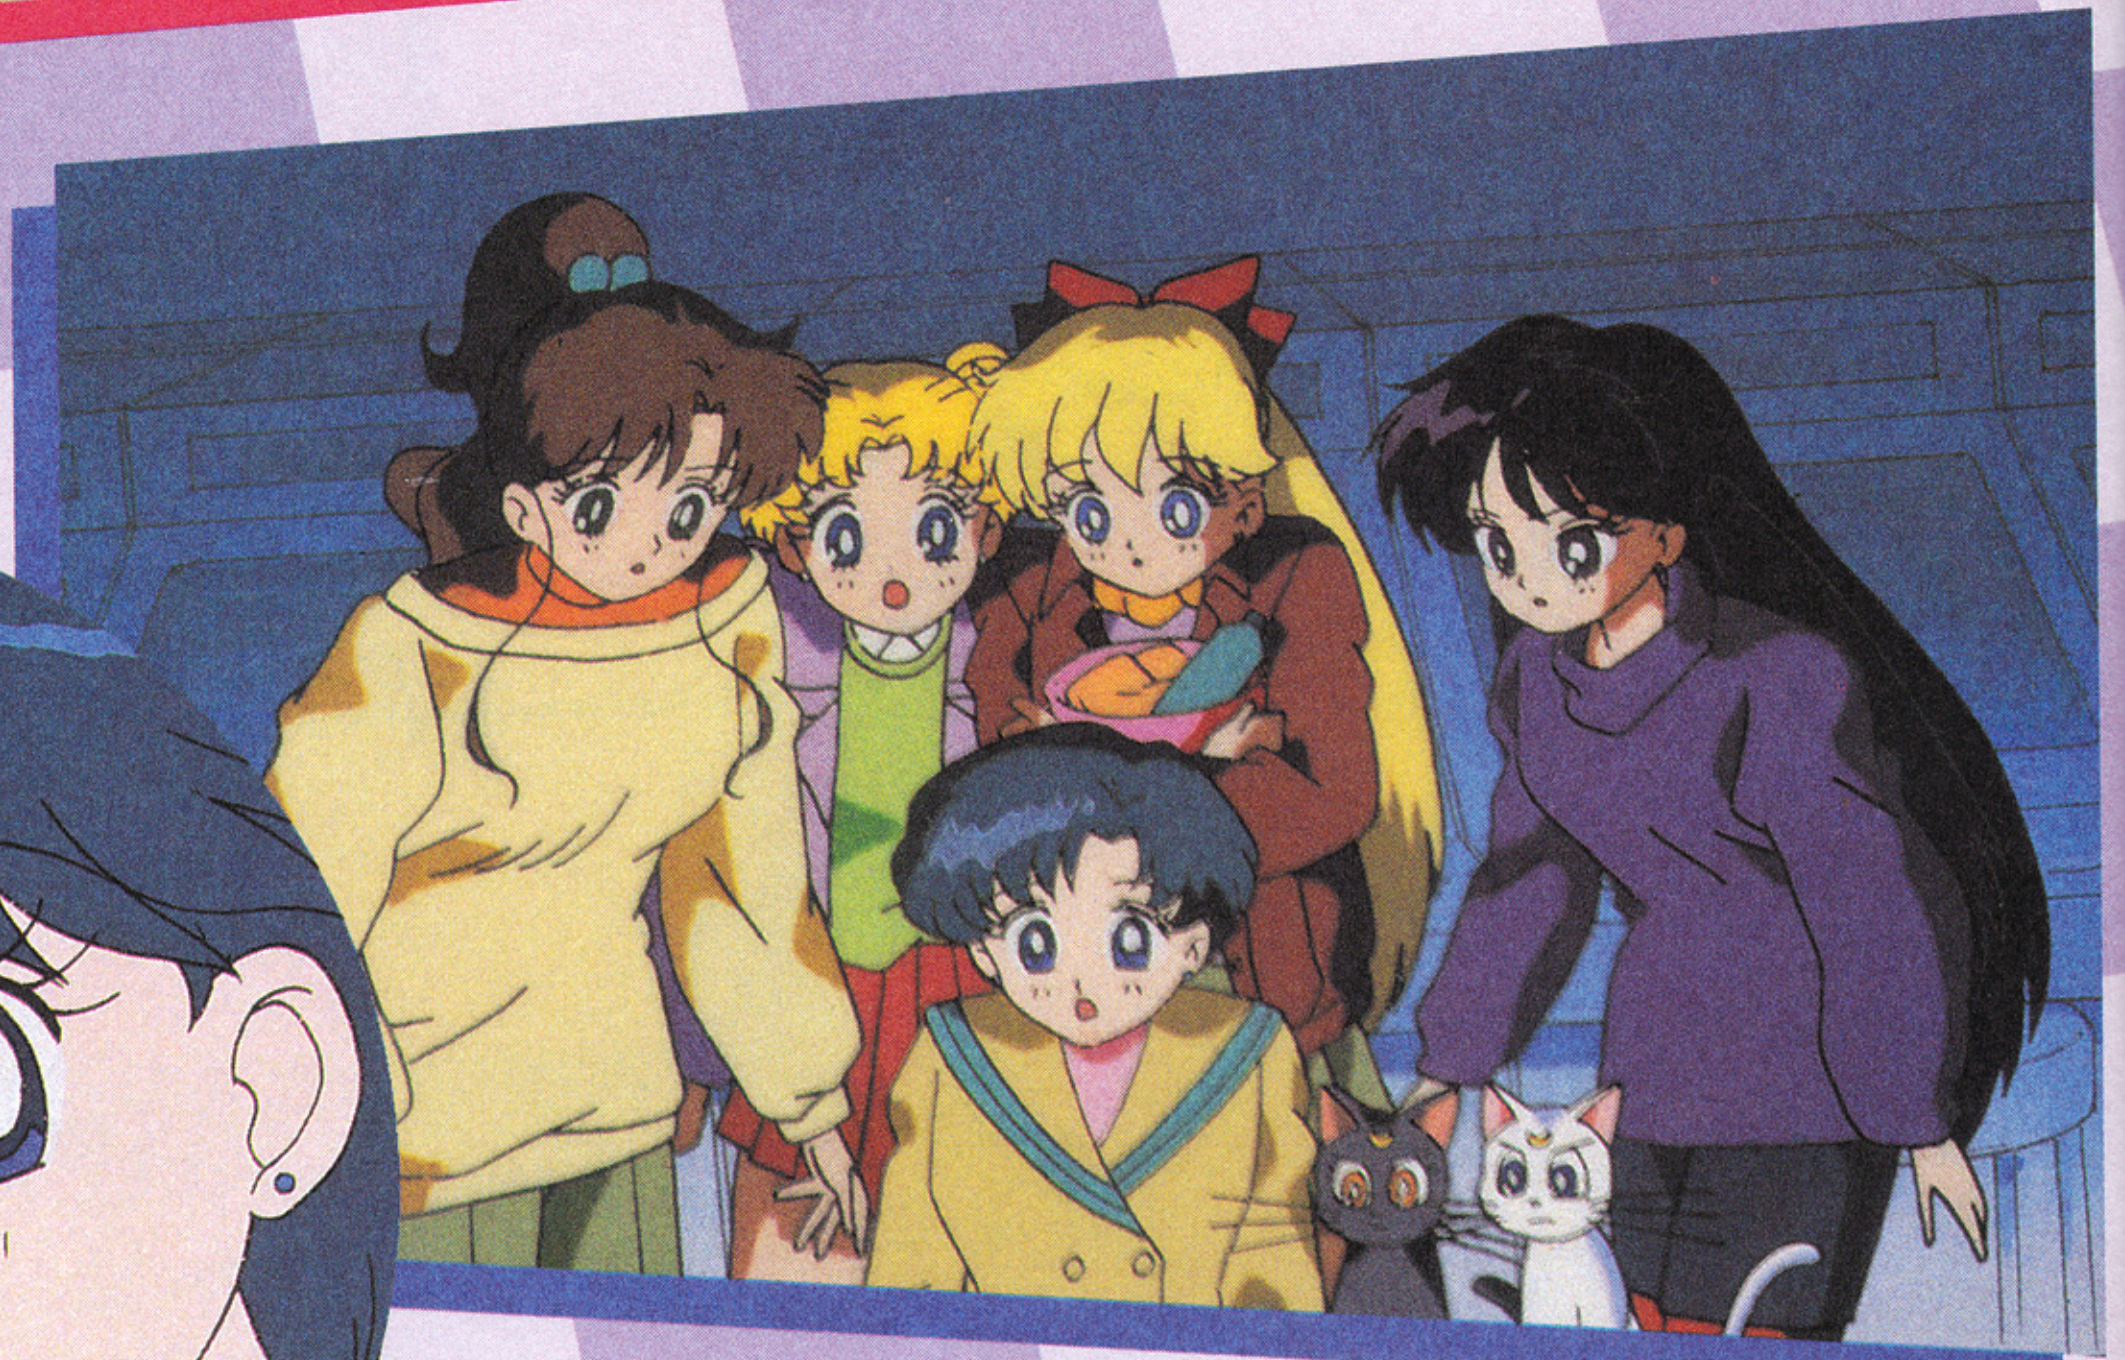

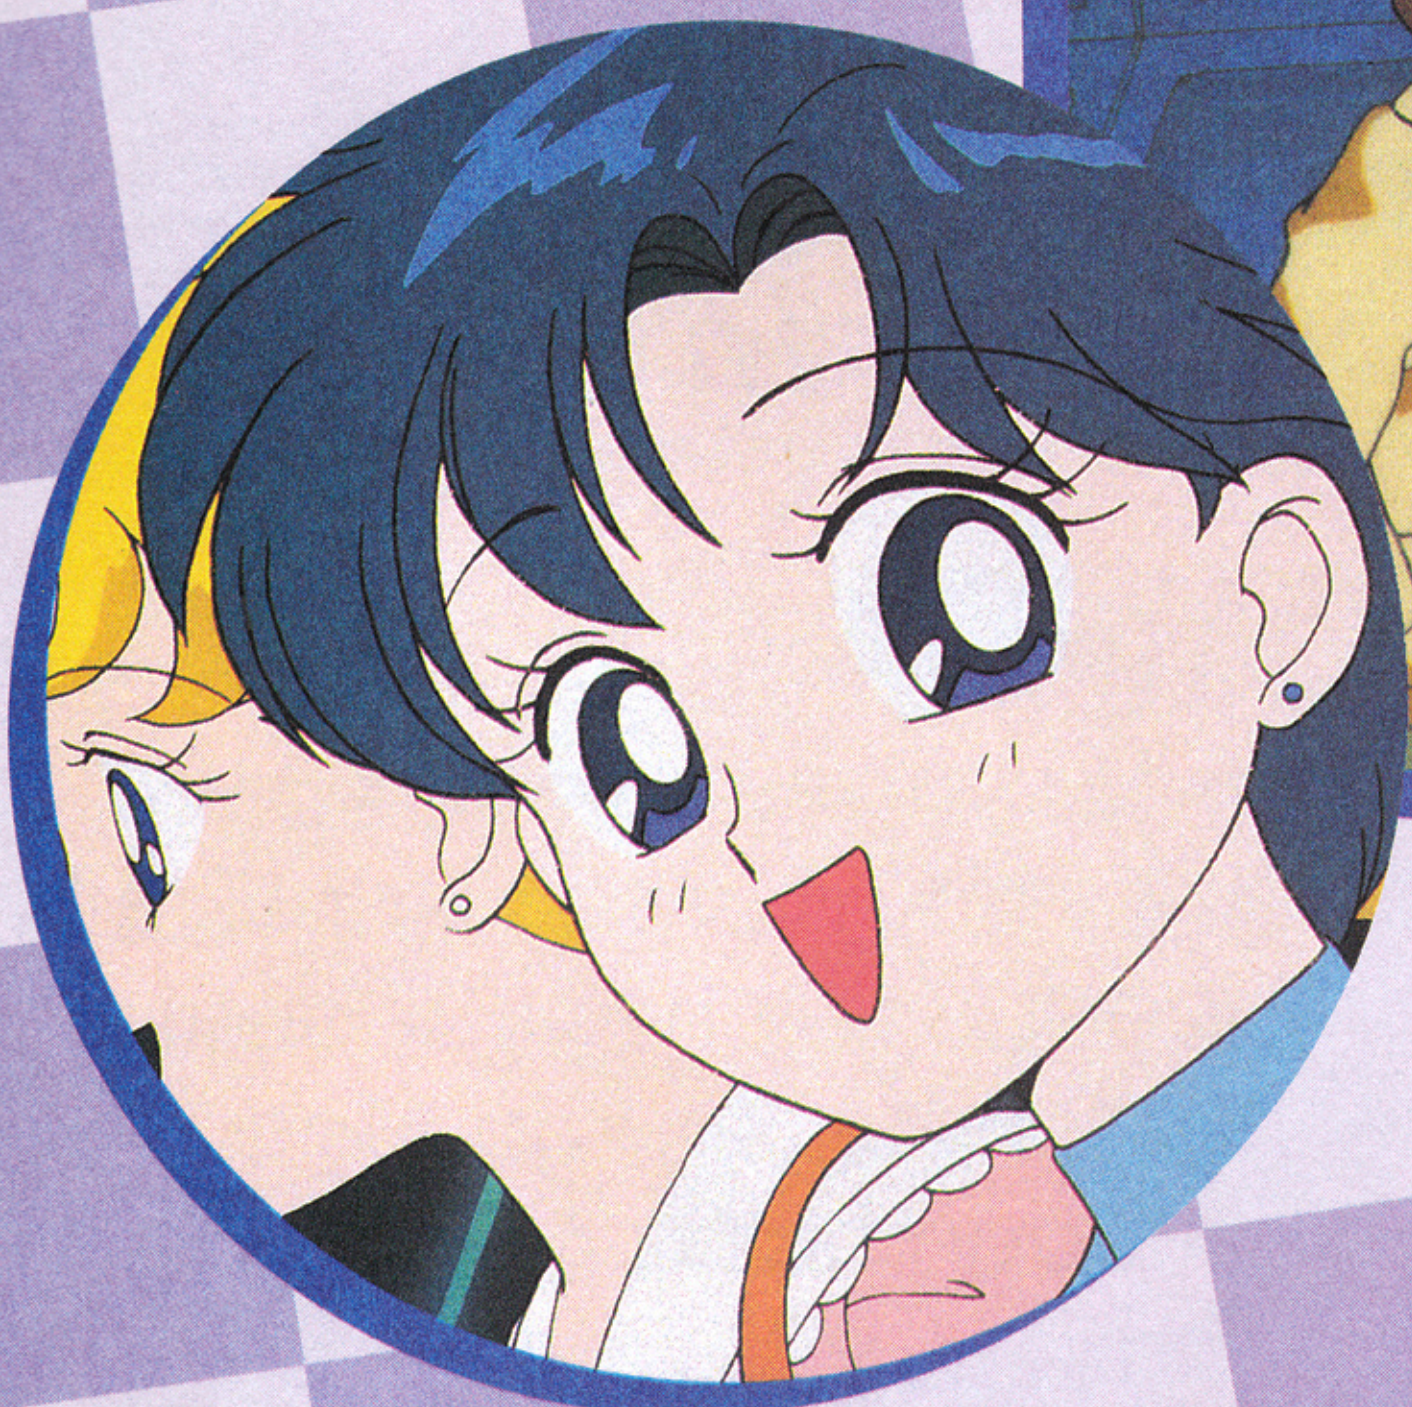

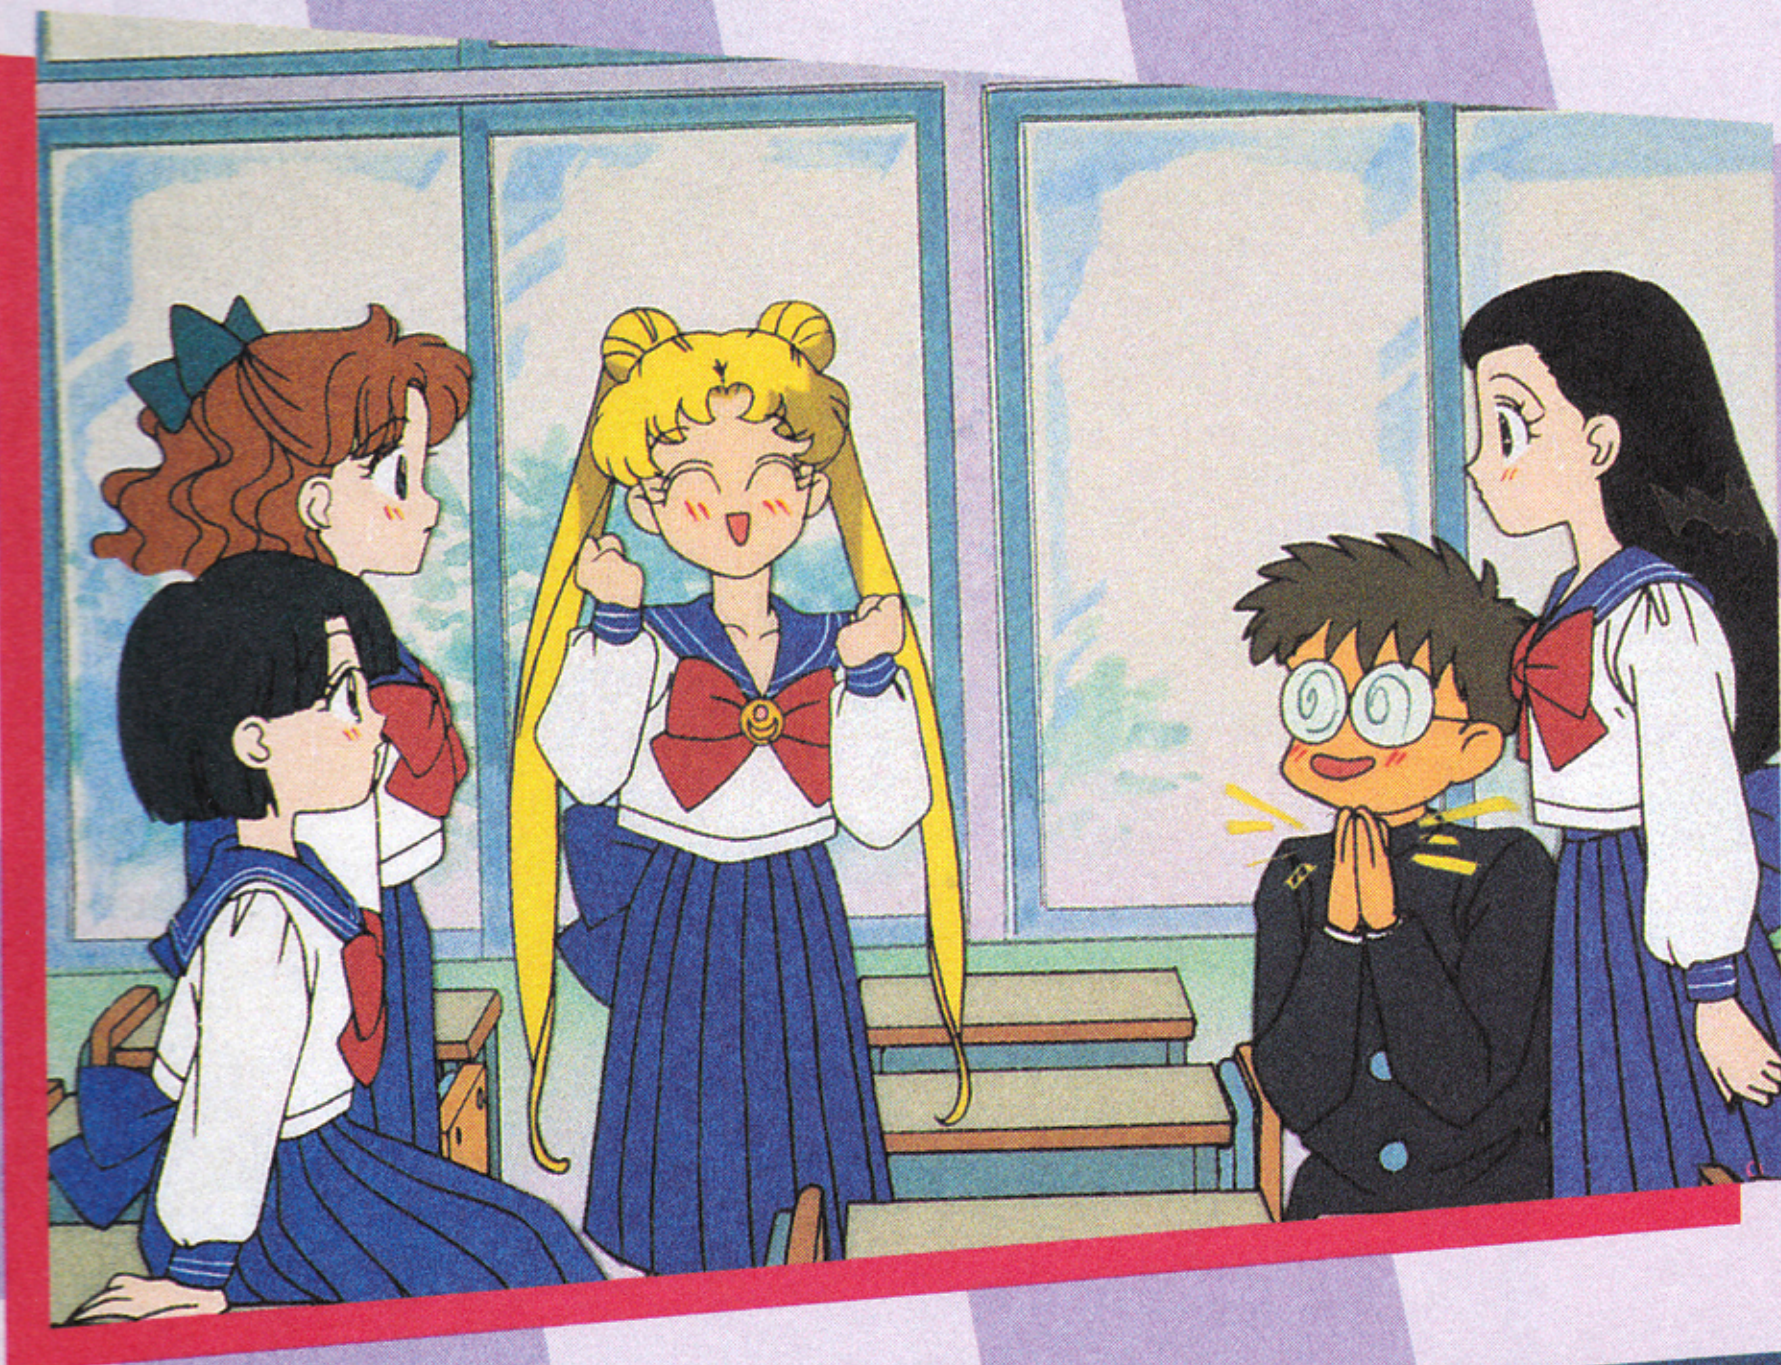

## Romantic Interlude

**DARIEN'S GIFT**  
Sailor Moon proudly keeps a star-shaped music box. It was dropped in the heat of battle by mysterious Tuxedo Mask. Sailor Moon has a big crush on him.

# Normal Teenagers??

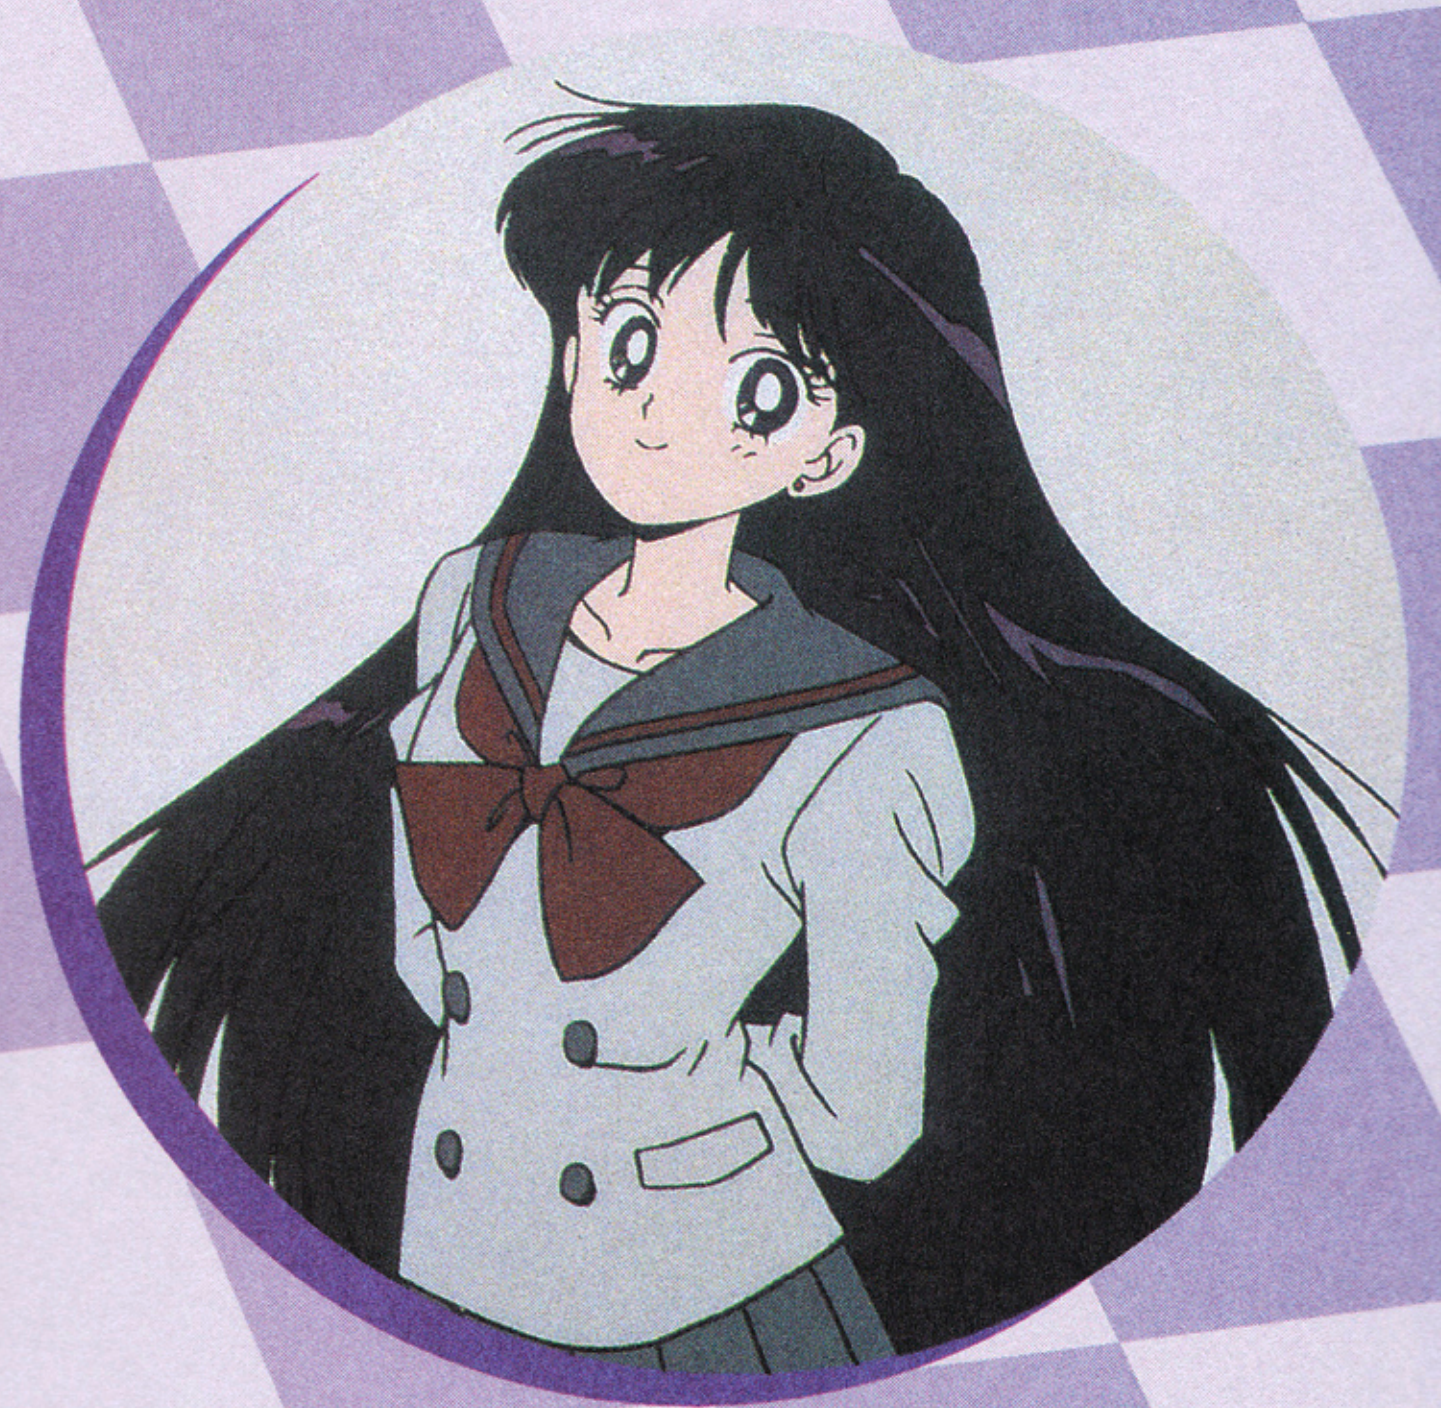

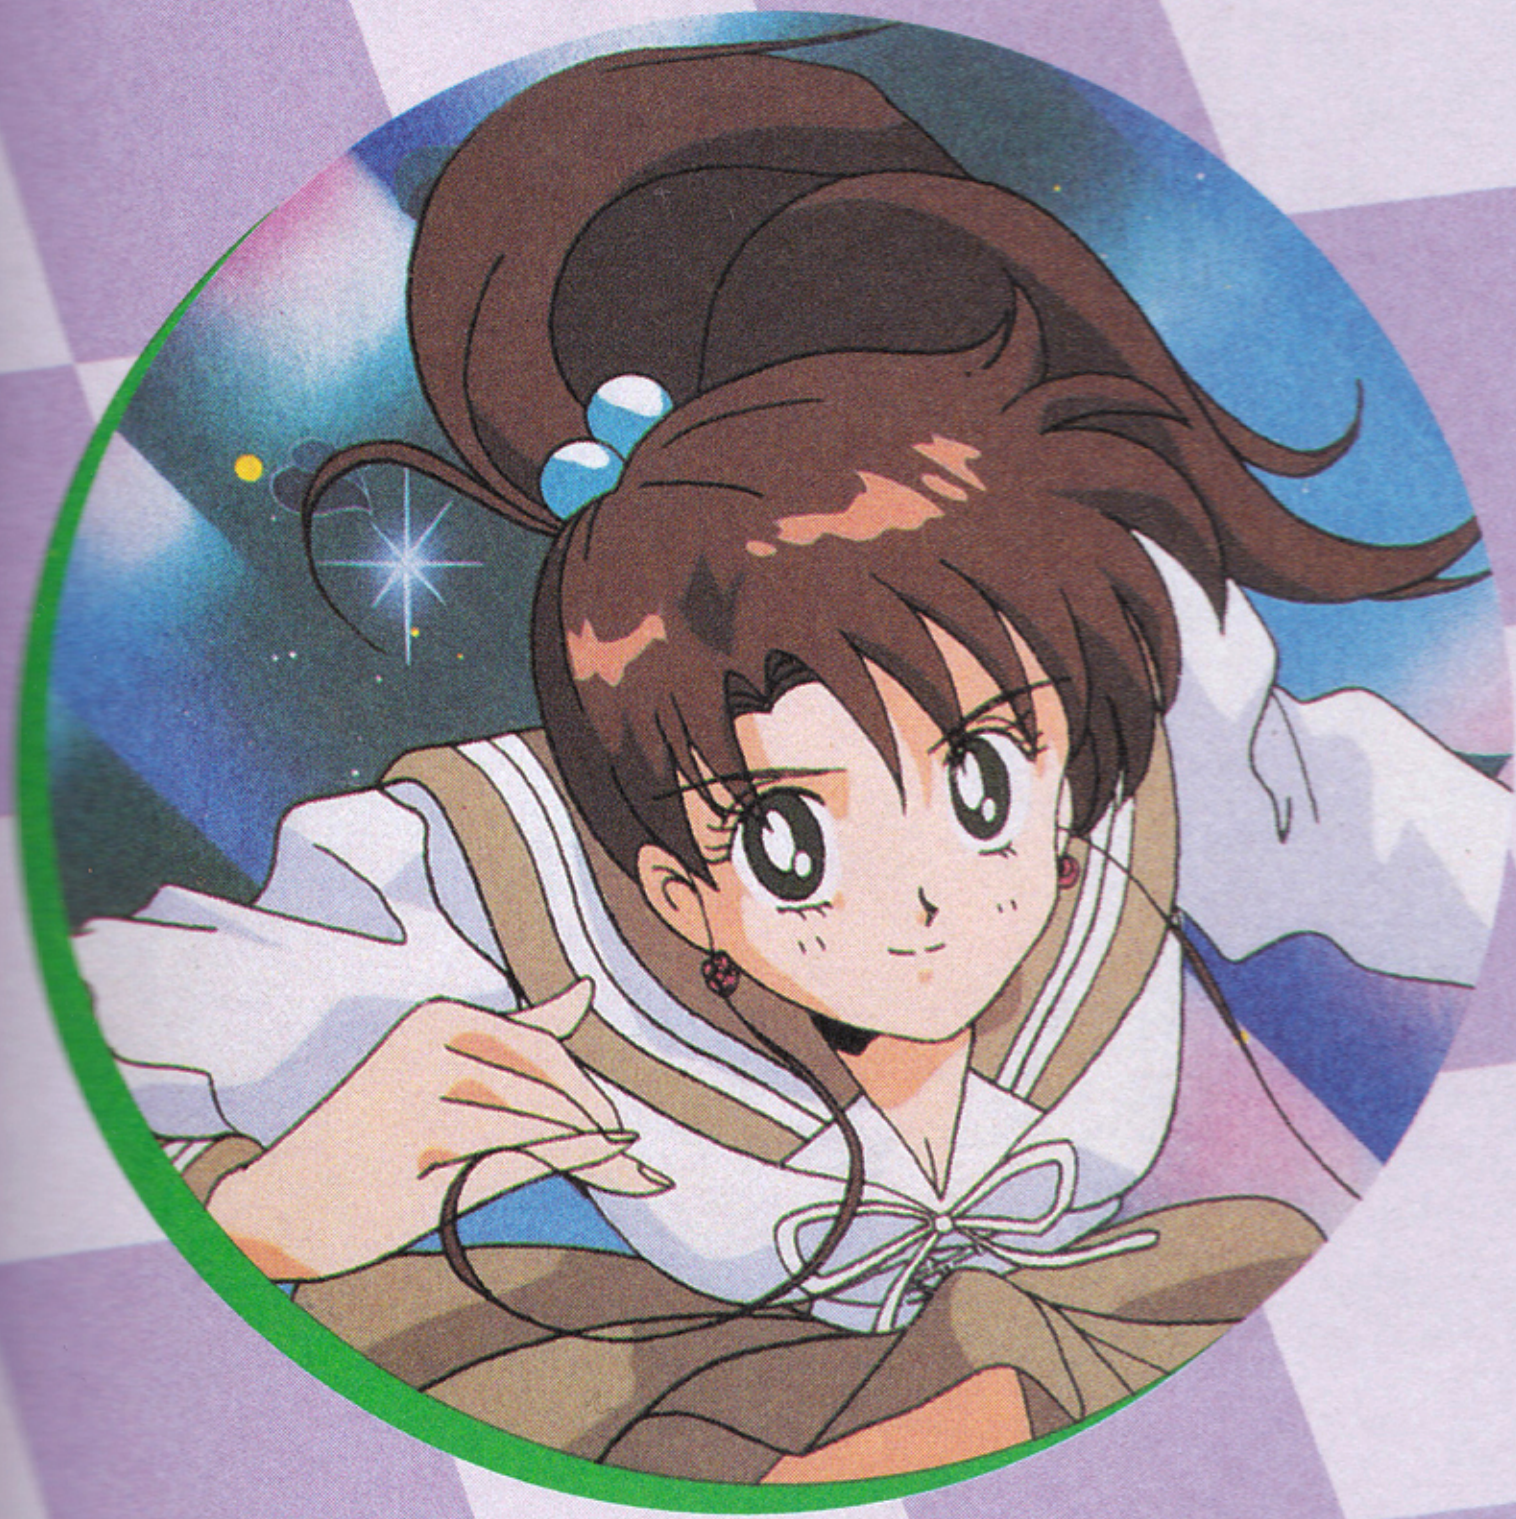

Serena is likable, but terribly clumsy. She loves video games, but really hates homework. She likes to eat ice cream and hangs around with Molly and Melvin at school.

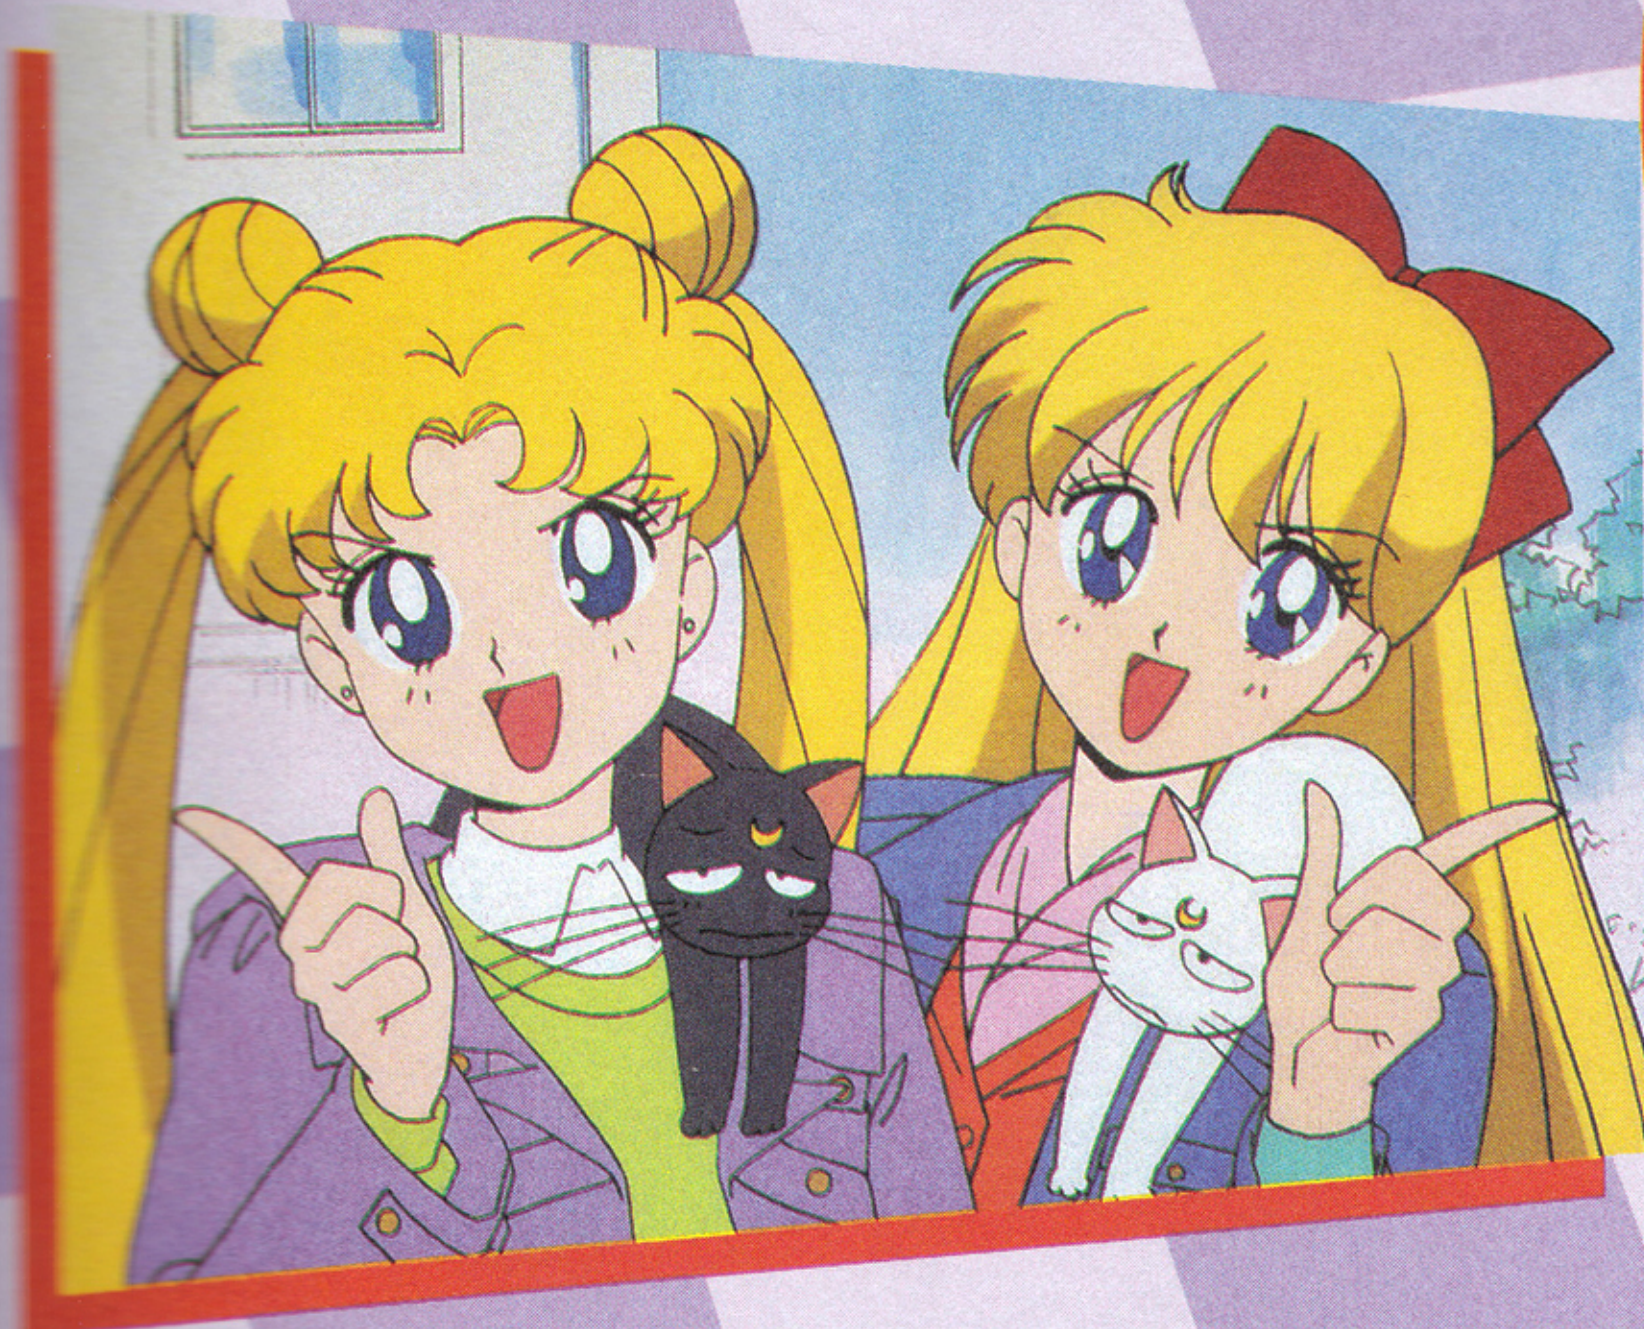

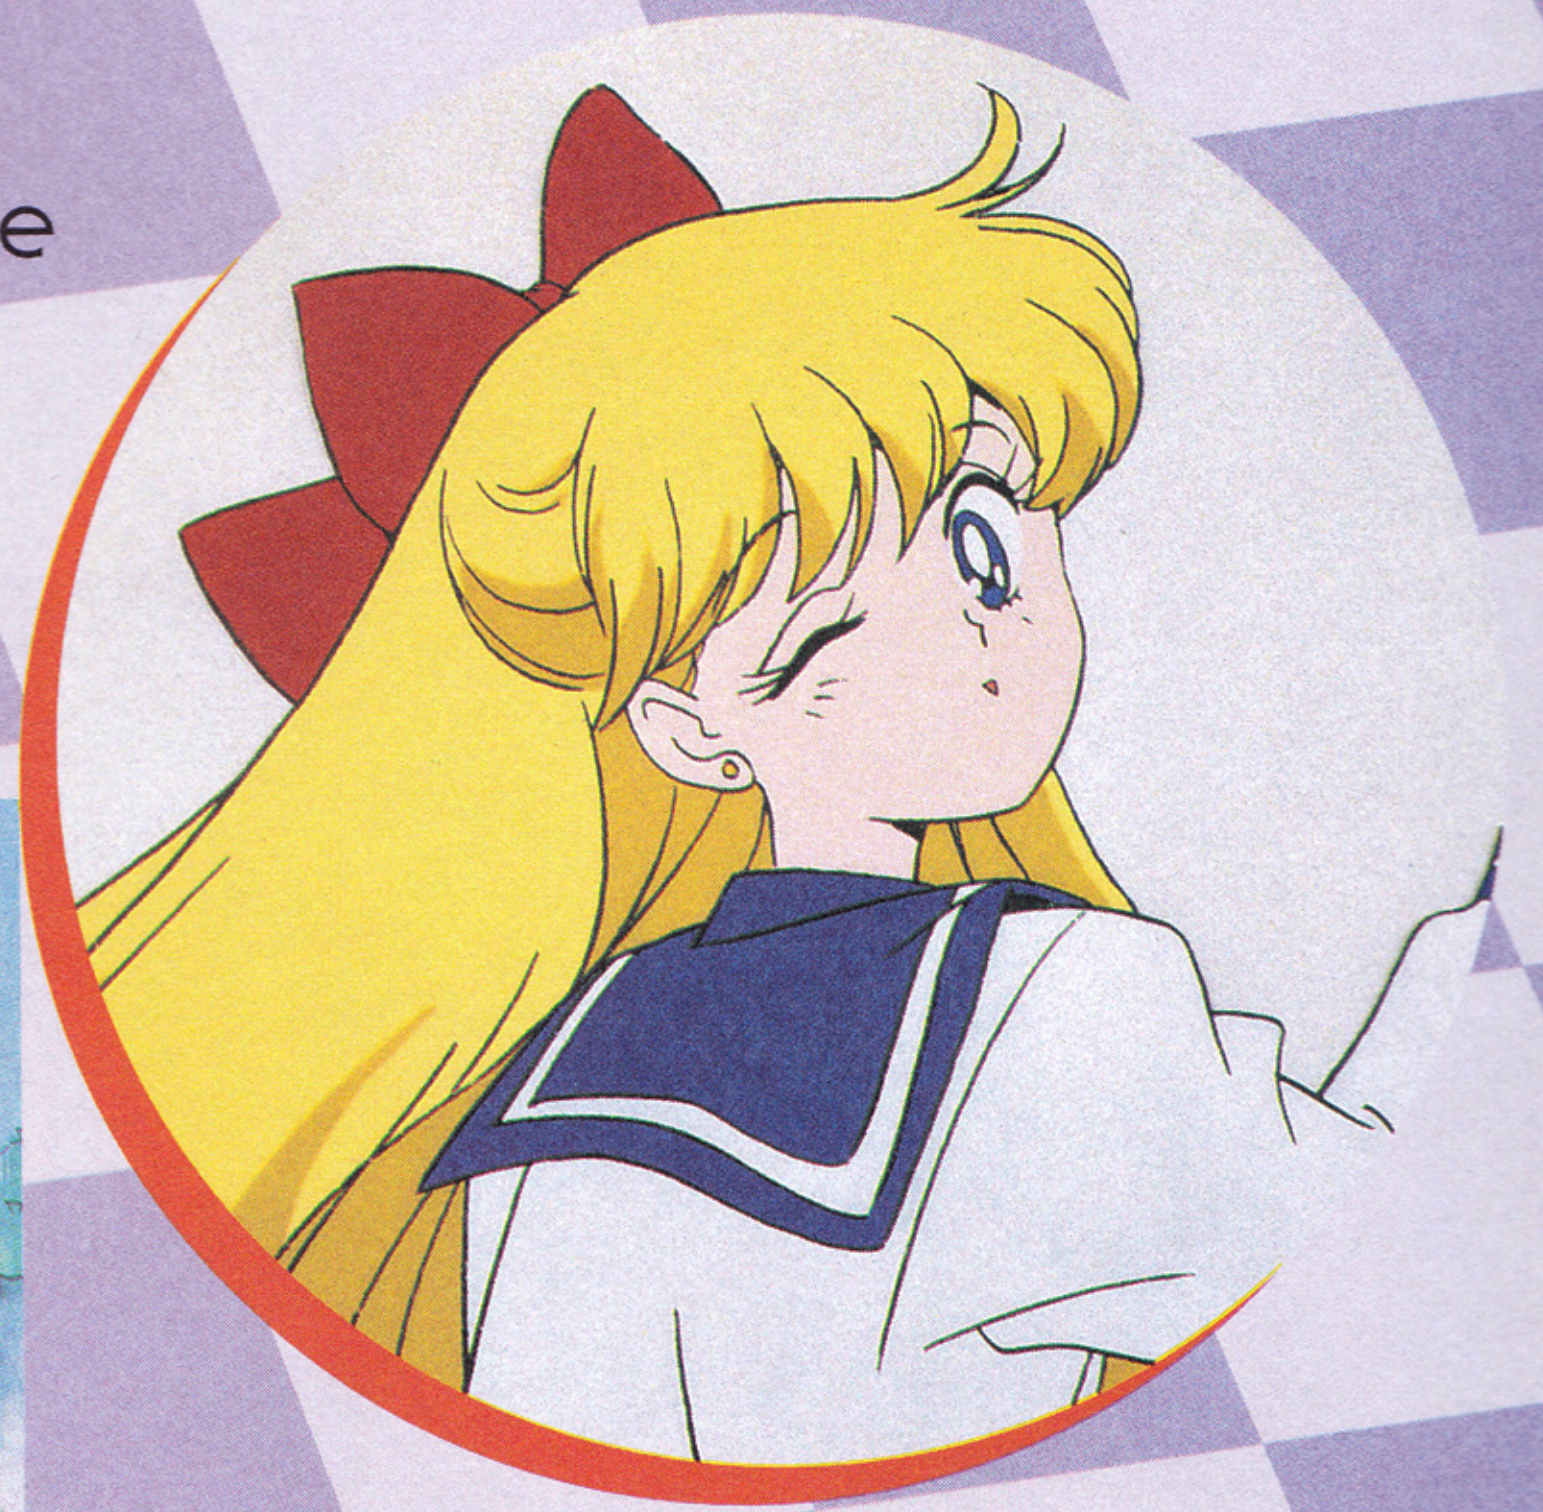

Bright Amy loves reading and working on computers.

Lita, strong and athletic,  
also likes to cook and  
read romance novels.

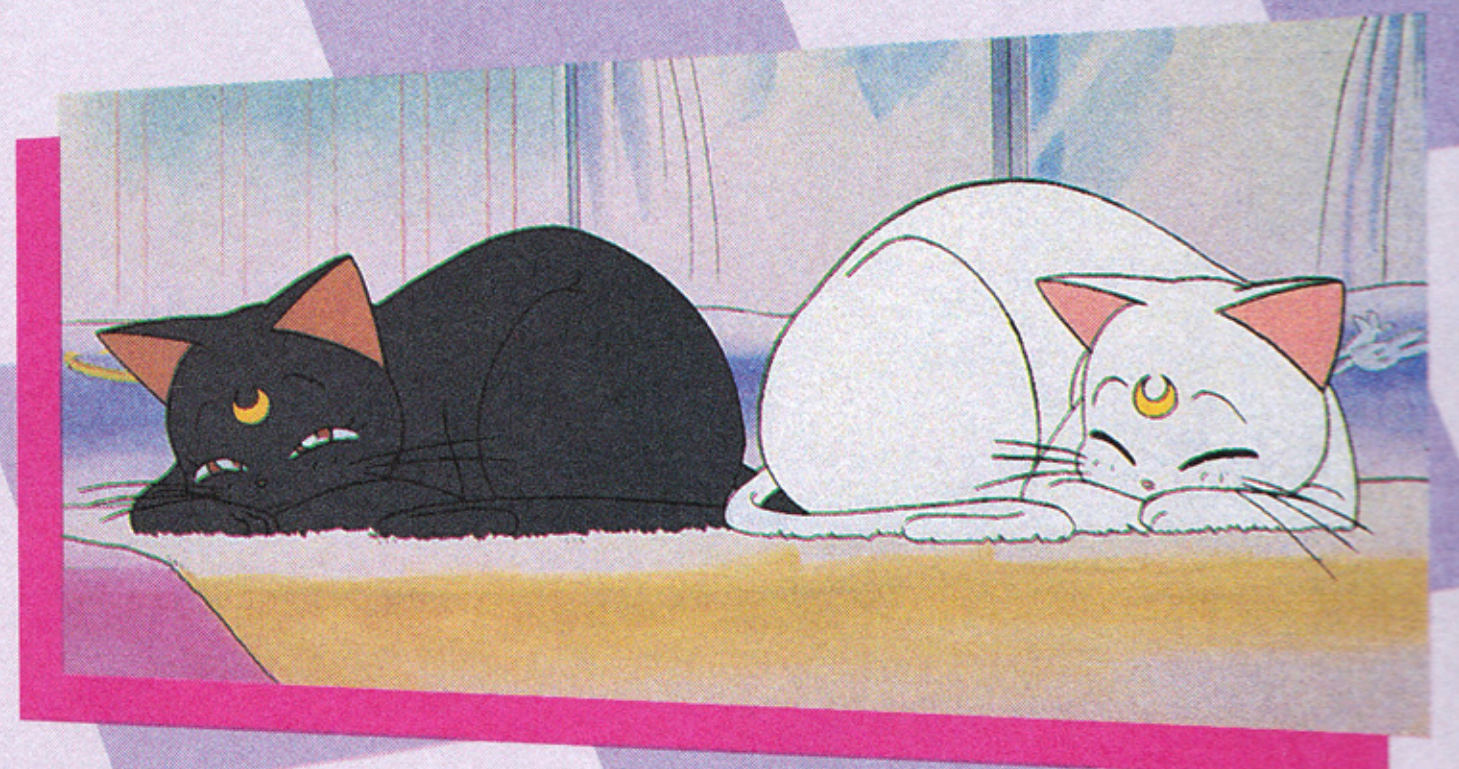

Raye's favorite subject in  
school is reading, but she's  
more interested in Darien.

Don't do a double take—Mina  
does look a lot like Serena. She  
loves gymnastics and dancing  
and eats a lot of pasta to get  
the energy to do both.

Luna and Artemis  
make a cute couple.

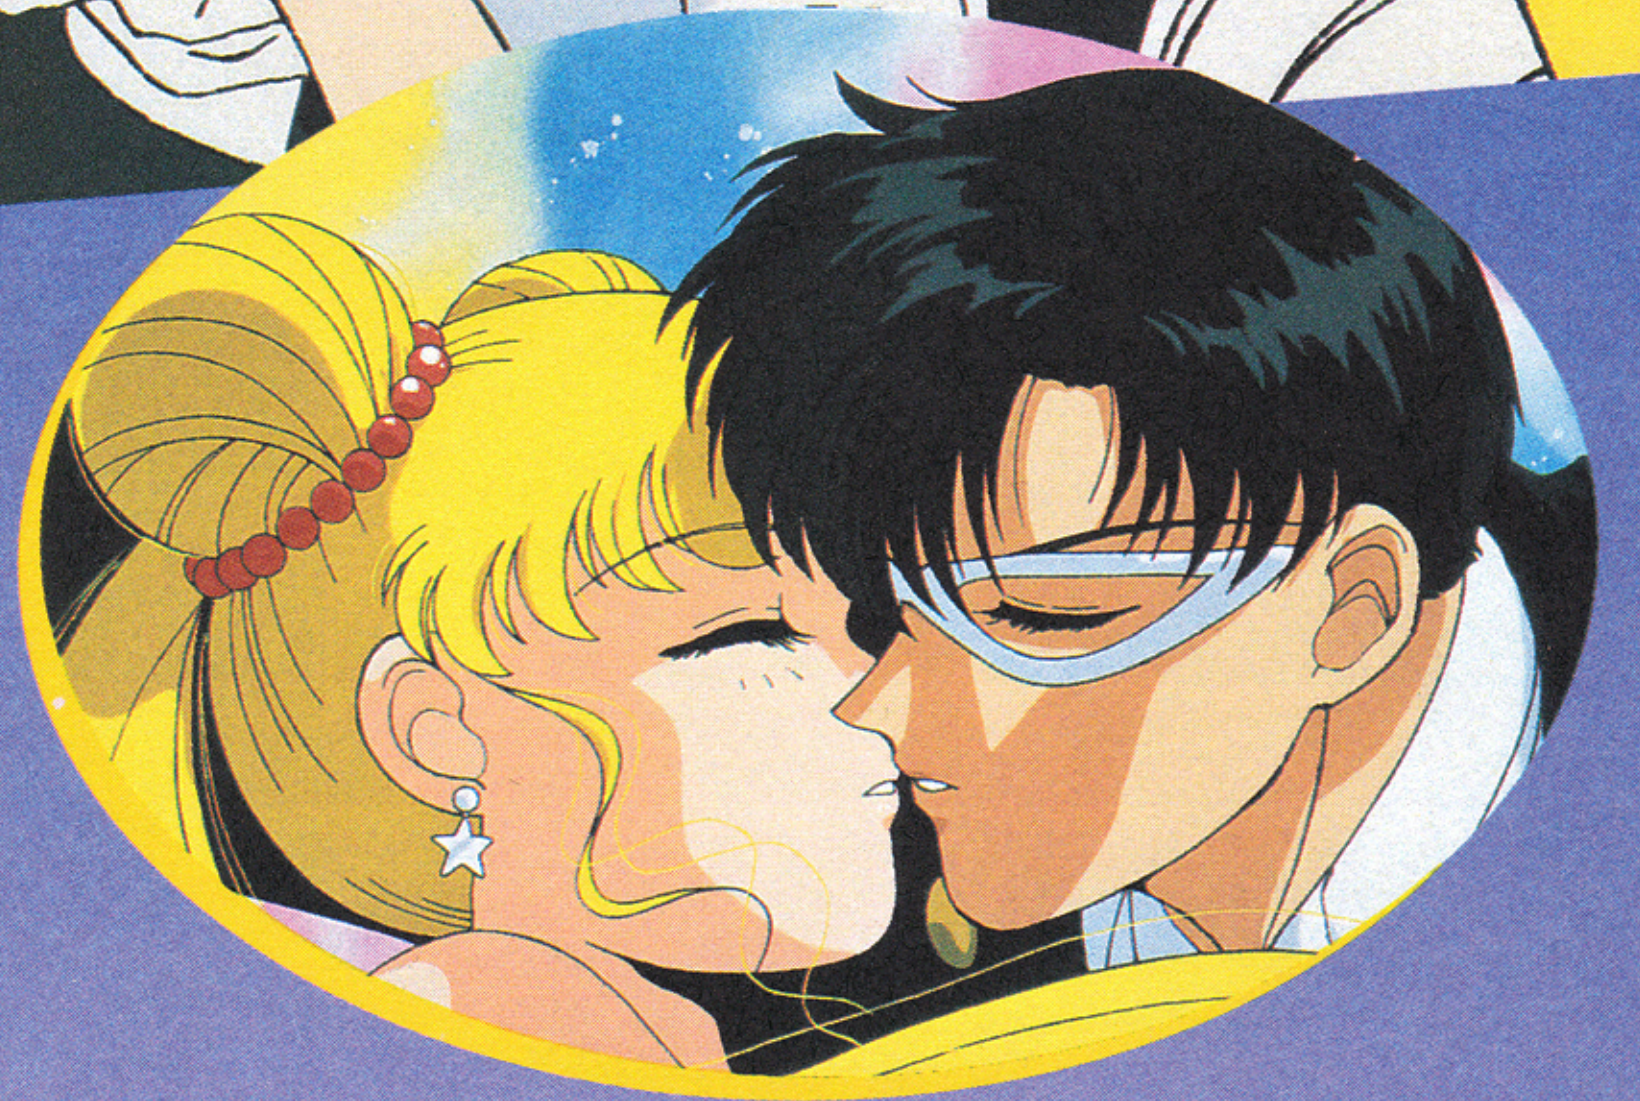

# TUXEDO MASK

## MAN OF MYSTERY

Secretive and stylish, Tuxedo Mask always appears just in time to help the Sailor Scouts. When he goes, he leaves behind a single red rose.

Sailor Moon has a crush on Tuxedo Mask. She doesn't realize that he's Darien, who she can't stand at all. Darien, for his part, really likes Sailor Moon. Why can't love ever be easy?!

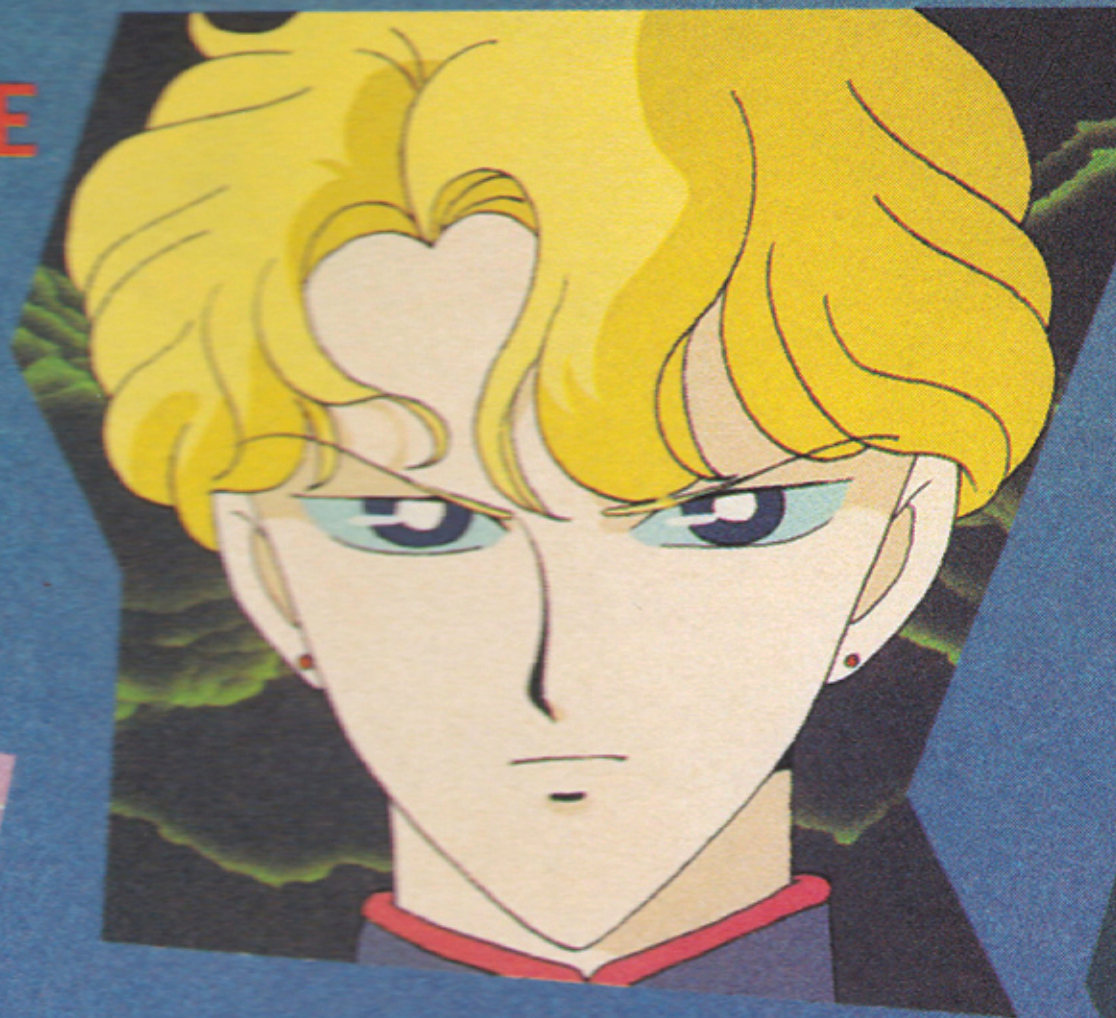

# NEGAVIER SIE
